

Travel Council To Continue Bumper Strip Advertising Of Town, Erect Direction Signs

The Gettysburg Travel Council, "highly pleased" with the progress of its membership drive, voted to continue its "bumper strip" advertising of Gettysburg, erect more directional signs, named a new director, and furthered plans to welcome Gettysburg's 20,000,000th visitor this summer at a meeting Tuesday evening at the Hotel Gettysburg.

William Ayres reported that 50 new members have joined, in addition to those who were members last year, which President Allen Larson termed "a wonderful report. We can be only as successful as the town wishes. If people support the travel council through their memberships and their activities then it can really do something to help increase the number of tourists visiting here."

Order 3,000 Strips
Five thousand bumper strips were purchased last year and 4,400 were distributed. President Larson said that distribution was made only when the car owners consented.

The council voted to purchase 3,000 strips immediately. Others will be purchased later. As an experiment 1,000 of the new strips will have a white background instead of yellow background.

George W. Olinger was named to the board of directors to fill the vacancy caused by the resignation of Rufus Bushman who asked that "someone" be named. Olinger was selected after the group decided to have "a Battlefield guide replace a guide."

New Direction Signs
Following much discussion the roads committee, headed by Charles Bender, was directed to meet "with borough council, the highway department or other appropriate agency" for permission to erect additional directional signs in the north end of town.

A number of members reported that visitors become confused at the intersection of E. Lincoln Ave. and Carlisle St. Many "wind up at the brickyard" when they fail to turn south on Carlisle St. to follow Route 15; others "get half way to Biglerville before they discover they should have turned at Lincoln Ave. to take Route 15 north."

Other tourists become lost on Lincoln and Broadway seeking the Peace Light, members said.

LeRoy E. Smith and William Ayres were named a committee to meet with Dr. J. Walter Coleman, superintendent of the National Park, concerning arrangements for a tape recording of tape—and possibly Lincoln's Gettysburg Address to be played in the National Cemetery. (Continued On Page 10)

GIVE "OPERA" HERE TUESDAY

A comedy skit, "No Soap Opera," will be presented in the American Legion auditorium, 123 Baltimore Street, under the auspices of local gas appliance dealers and the Manufacturers Light and Heat Company on Thursday.

Starring in the hour-long show scheduled for 2 p.m. will be two Philadelphia performers, Shirley Lahey and Juanita Marsh. Admission tickets, free to all, are available at local gas appliance stores and at the gas company office, 14 York St. Julian N. Estep, gas company manager, said the performance will be one of 17 to be given this month in Pennsylvania, Maryland, New York and West Virginia.

Co-sponsoring gas appliance dealers are: L. U. Collins and Son, R. 1; A. R. LeVan and Son, Baltimore Street; Lower's Gas Service, Guernsey, and Welshaer Brothers, Baltimore Street.

There will be five door prizes, a gift for each person attending and each tenth person will receive a laundry dampening bag.

Gives Lincoln Talk On Friday

Dr. Louis R. Warren, Director of the Lincoln National Foundation, of Fort Wayne, Ind., will speak at a meeting of Lincoln enthusiasts in Room 213, Gladfield Hall, on the college campus, at 4 o'clock Friday afternoon.

Dr. Robert Fortenbaugh, who was instrumental in securing Dr. Warren, announced the change in the meeting place. It was originally planned to hold the meeting in the SCA building but previous commitments precluded the use of this auditorium.

Dr. Warren is considered one of the foremost authorities on Lincoln and is in great demand as a speaker.

DAR HEARS TALK ON HISTORICAL NATIONAL PARK

"The Colonial National Historical Park, the area so closely connected with George Washington, includes Yorktown, Jamestown and Williamsburg," said Dr. J. Walter Coleman, superintendent of the Gettysburg National Military Park, in an address before the Gettysburg Chapter, DAR, Tuesday evening at the Gettysburg Country Club.

"Jamestown, established in 1607, will in two years, observe its 250th anniversary," he said. "With the surrender of Lord Cornwallis at Yorktown October 19, 1781, the Revolutionary War came to an end. The British officer was ill but his aide presented the sword to Gen. Henry Lincoln, who had surrendered it to the British at Charlestown the year before. The sword was first offered to Washington who handed it to Lincoln and the latter returned it to the British officer with his compliments."

"Much of the Yorktown scene has been restored. One can visit there today to see how the siege was carried on. Some of the old houses are distinguished by cannonball holes and the oldest houses date from the year 1690. The most interesting ones are the Seasons House, the West House and the Moore House. Washington and Cornwallis discussed final details of the surrender at the Moore House."

Sank British Ships
The Americans and their French allies sank several British ships in the York River. It is interesting to note that in the early 1930's some divers brought up some relics from the bottom of the river. They found several cannons encrusted from the sea water, pieces of lanterns and bottles. These historic pieces are on display in the museum at Yorktown. The sailing vessels, which were built chiefly of wood, have rotted away for the most part.

"The cabin of the British ship, Charon, has been restored and placed in a building at Yorktown. The original cannons with carriages and ropes have also been preserved."

"Following the surrender, the officers were paroled and permitted (Continued On Page 10)

YOUNG FARMERS CONGRATULATED

Dr. Glenn Stevens, of the agricultural education faculty of Pennsylvania State College, congratulated the Gettysburg Young Farmers Association on its activities at a meeting of that organization Tuesday evening at Gettysburg High School.

Dr. Stevens, who founded the Young Farmers in the state, spoke of the organization. He is here to visit Young Farmers' groups as part of a study. Richard C. Lighter, county supervisor of agricultural education, who accompanied Dr. Stevens on the tour which included visits to the farms of several Young Farmers' members, also spoke briefly.

Most of the session was devoted to the conversion of a grain drill provided by Daniel and Milton Hoffman for band seeding. Instruction was also given on block laying, electric welding and use of the metal lathe.

Next Tuesday evening the Young Farmers group will hold a meeting on poultry management with Floyd Kuhn, Cashtown poultryman, as one of the members of a panel. A film on new poultry diseases will be shown.

Cub Pack 79 To Hold Family Supper

The monthly meeting of Cub Pack 79 will be held Thursday evening at 6:30 o'clock in the dining room of St. James Lutheran Church. This meeting will be held in the form of a covered dish supper. Each family will bring its own table service and a covered dish.

Cub Scouting is open to boys between 8 and 11. Any parents with boys of this age are invited to attend if they are interested in having their boys become Cub Scouts. A Bobcat ceremony will be held to induct new members. Advancement awards will be made.

A. B. MUSSELMAN IS PRESIDENT OF POULTRYMEN

Arthur B. Musselman, Gettysburg, R. 3, was reelected president of the Adams County Poultry Federation at a meeting Tuesday evening at the Court House.

A. W. Butterfield, Gettysburg, R. 3, was named vice president and Glenn Kline, Gardner, was elected secretary-treasurer.

Carl Dossin, Pennsylvania State University Extension poultry specialist, told the group that "the last half of 1955 should be a fairly profitable period for poultry raisers."

Discuss New Vaccines
Dossin said that during January 21 per cent fewer chicks were hatched in the U. S. and 24 per cent less chicks were hatched in Pennsylvania.

Broiler replacements were down 15 per cent up to the beginning of February, the specialist reported, but this month the number of broiler replacements has equalled last year, and in some sections has exceeded the number of last year.

Dossin also discussed a number of new vaccines which have come on the market during the last several months. Several of the vaccines show "great promise," he said, but he cautioned the poultrymen that the vaccines have not as yet had a full season's test under farm conditions and urged that the country farmers "continue to use methods which have been successful in the past until the new vaccines have proved their value."

MRS. M'KINNEY EXPIRES TODAY

Mrs. Sally M. McKinney, 81, Benderville, who had been an invalid since fracturing her pelvis in a fall three years ago, died this morning at 8:05 o'clock from a complication of diseases.

Two Sain Sons Are Interred As Spoiled Venison

HOUSTON, Tex. (AP)—An attractive, 26-year-old woman today admitted she killed her two young sons, kept the bodies a week, dismembered them and had them buried as spoiled venison.

Mrs. Ann Williams, clerk in a dime store in suburban Pasadena, told Sheriff C. V. Kern and newspaper reporters she killed the boys, Calvin, 9, and Conrad, 8, by giving them "big sleeping pills I bought in Mexico."

She said she kept the bodies in a Houston apartment nearly a week before dismembering them with razor blades.

"My husband is in prison," Mrs. Williams said. "I'm in ill health. That's why I killed my boys. I just couldn't take care of them."

Mrs. Williams, who had been missing six days, was arrested early today, about six hours after four neatly wrapped packages containing the bodies had been unearthed near Aliso.

JUDGE SHEELY IS 'SOROPTIMISTER' DINNER SPEAKER

Judge and Mrs. W. C. Sheely were guests of the Soroptimist Club at their annual "Soroptimist Dinner" held in the American Legion dining room on Tuesday night. Mrs. George F. Eberhart, the first president of the club, who served as toastmaster, introduced Judge Sheely and he spoke briefly comparing the times of George Washington with present day conditions.

Mrs. Eberhart explained that entertaining club members' husbands and men friends at a "Soroptimist" dinner is a unique event, observed only by the local club as far as is known. It was started some years ago by Mrs. Guyen E. Buehler, a past president. She also explained the celebration of Washington's Birthday, stating that in 1864 when his home, Mt. Vernon, was about to be sold, Mrs. Harrison Ward Otis, Boston, started a movement for it to be kept as a national shrine and through her influence it was saved for posterity. In 1865 Mrs. Otis campaigned to have Washington's (Continued On Page 2)

JAILED FOR 10 DAYS
James Clyde Burnette, Biglerville, R. 1, was arrested by state police for disorderly conduct Tuesday night and was committed to the county jail. The arrest took place on Route 34, Cumberland Twp. Pretty Czech Skating Star Seeks Freedom From Reds

LINZ, Austria (AP) — "I had everything but freedom and security."

In those words pretty Miroslava Nachodská, 22-year-old ice skating star from Communist Czechoslovakia, summed up today her reasons for seeking political asylum in the United States.

At a news conference here in the American zone of Austria, Miss Nachodská told how she made her way to freedom in Vienna a few hours before she was due to return to her homeland.

She said she had been considering escape to the West for years. Her opportunity came when she was sent to Vienna to take part in the 1955 world ice skating championships last week.

Miss Nachodská said she made her final decision to flee less than 24 hours before she was due to return to Prague Sunday. On a last-minute shopping expedition, she said.

Artist To Speak At College Friday

Leon Kroll, landscape and portrait artist, will speak Friday evening at 8 o'clock in Brua Auditorium, College Campus.

Sponsored by the Chi Omega sorority, Mr. Kroll will discuss painting from the standpoint of a practicing artist, using slides to explain his ideas. Kroll won a traveling scholarship from the National Academy of Design, for two years study in Paris, where he won the grand prize for painting "The Nude." He also won first prize at the Carnegie Institute's International Exhibition.

The public is invited.

TWO CANDIDATES IN CONTEST FOR DIST. ATTORNEY; PETITIONS OUT

Today was "petition day" with petitions being circulated throughout the county for candidates seeking nominations on the Republican and Democratic tickets.

Attorney Donald G. Oyer is seeking the Republican nomination for district attorney, according to the petitions. District Attorney Daniel E. Teeter is seeking renomination on the Democratic ticket.

District Attorney Teeter graduated from Gettysburg College, and from the University of Pennsylvania. He was admitted to the county bar and the superior court in 1937. He served in World War II in the U. S. Army's counter intelligence service in the India, Burma, China area from 1942 to 1945, and has been district attorney here since 1948.

Many Petitions Out
Attorney Oyer graduated from Swarthmore College, then from the University of Pennsylvania law school in 1951. He was admitted to the supreme court in 1952 and to the local bar in 1953. He began his practice here in November, 1953. He is a son of Mrs. R. Z. Oyer, W. Broadway and late Ralph Z. Oyer. He served in the army from 1943 to 1945 as an infantryman and later with the transportation corps.

Others for whom petitions were being circulated today included County Commissioners Karl J. Smith and J. Blaine Bushey for renomination on the Republican ticket; Walter Fidler and William Snyder for Republican commissioner nomination; George Kane and Edward J. Sneringer for Democratic commissioner nomination.

State Senator Donald P. McPherson for judge on the Republican ticket and Judge W. C. Sheely for renomination on the Democratic ticket.

Deadline March 14
George P. Taylor, for associate judge on the Republican ticket.

Incumbent Wayne M. Shields and Frank J. Slonaker for Republican nomination for prothonotary and Herbert Miller for prothonotary on the Democratic ticket. Carl S. Menchey and Ray M. Black for Republican nomination for register and recorder.

Other petitions were expected to go out before the deadline, March 14, for filing.

Property Transfers

The following property transfers have been filed with the office of the register and recorder:

FACE CODE CHARGES

John W. Strickler Jr., York, and Kenneth R. Watson, Hanover, have been sent ten-day notices by Justice of the Peace Robert P. Snyder. The former was arrested last Wednesday for not having a valid inspection sticker, and the latter on Saturday for driving an overloaded truck. Both were arrested by state police in Cumberland Twp.

TO INVITE "MISS PENNSYLVANIA" TO JUNE 30TH PARADE HERE

Gettysburg firemen will join with the Junior Chamber of Commerce in arranging for the appearance of Miss Pennsylvania here June 30 for the annual Battle Anniversary parade, the general committee for the 92nd Anniversary program decided Tuesday night.

Meeting at the fire engine house on E. Middle St., the general committee held what it hopes will be its last meeting. With the completion of general decisions for the event, the activities will now be further arranged by the various sub-committees — each taking care of its assignment from the general committee.

General Chairman Raymond Menges presided at Tuesday's session.

\$1,000 In Parade Prizes

The possibility that the winner of the annual Miss Pennsylvania contest can be present for the parade was reported by the Junior Chamber and the general committee voted to join in the arrangements. As arrangements stand at present she will be here June 30 for the annual parade and possibly will also be present for the carnival that evening.

Prizes for the parade will be "same as last year," totaling \$1,000, and the parade committee will send out invitations listing the breakdown of the \$1,000 into prizes for the various categories of the parade. Following a lengthy discussion on whether there should again be awards for a horse section of the parade, the group tentatively voted to drop that category this year unless greater participation is assured.

A change in the fireworks was approved. C. William Zhea, chairman of the fireworks committee, said that fireworks similar to those of last year could be secured for the five nights of the celebration at a cost of \$675—same as last year. For \$65 more, an all-aerial display could be presented on one of the nights. After much discussion (Continued On Page 2)

BETA SIGMA PHI WILL SELECT "GIRL OF YEAR"

Plans for the annual "Beta Sigma Phi" night program May 3 were discussed Tuesday evening at a meeting of the local Beta Sigma Phi held at the sorority's rooms on Lincoln Square.

Elected as a nominating committee which will report at that time were Mrs. Donald Becker, Mrs. Jack Hoffman, Miss Christina Anioris and Miss Mary Heintzelman. Selection of the "girl of the year" and election of officers are among the highlights of the yearly "Beta Sigma Phi" night.

Miss Anne Faber, president of the sorority, read a letter from the national organization concerning the silver anniversary of the national sorority.

Plan "Surprise" Social
A letter from Mrs. Joseph E. Codori, chairman of the Adams County Unit of the National Foundation for Infantile Paralysis, was read. Mrs. Codori expressed appreciation for the assistance given by Beta Sigma Phi in raising funds for the March of Dimes.

Miss Mary Kay Baughman, social chairman, announced that a "surprise" social will be held for members next Tuesday evening, March 1, at 8 p.m. at the sorority rooms.

Plans were discussed for a "male guest night" after March 15, to which the members of the Exemplar chapter will also be invited.

Report On Dance
It was announced that the eastern area convention of Beta Sigma Phi will be held June 3, 4 and 5 at Pittsburgh.

Miss Helen Spangler reported that approximately \$249 was received from sale of sponsor tickets for the recent Valentine Dance. A letter of appreciation from Mrs. Thomas McCarthy who was named Valentine Queen, was read. Mrs. McCarthy also presented a gift to the sorority.

Mrs. Donald Jacobs was appointed as a co-chairman with Miss Spangler on the firemen's special project committee through which the sorority will aid the firemen in connection with annual battle anniversary here.

Announcement was made that the Chambersburg Beta Sigma Phi will hold a fashion show March 2 at 8 p.m. at Wilson College.

NATIONALISTS MAY GIVE UP ANOTHER ISLE

By SPENCER MOOSA

TAIPEI, Formosa (AP) — Signs multiplied today that Nationalist China might be forced to another painful decision—a pull-out from Nanchishan, northernmost anchor of Chiang Kai-shek's offshore island chain.

Official quarters suggested to foreign correspondents that it would be unwise to overestimate the capabilities of the defenders—perhaps 5,000 guerrillas and regulars.

Nationalist officials suddenly stopped saying that all offshore islands—without exception—would be defended. They had been saying they would, constantly, since the Tachen Islands were evacuated earlier this month.

"No" From U.S. Hinted

These strong hints of a possible evacuation of Nanchishan indicate the United States must have given a flat "no" answer to Nationalist appeals for help if the Reds invade the tiny island.

Nanchishan, 120 miles north of Formosa and 20 miles off the Red mainland, is the last island off the Chekiang coast still held by the Nationalists. Its abandonment would roll the civil war front back to the Matsuo group, 100 miles northwest of Formosa and also 20 miles off the coast. The Matsus dominate the approaches to Poochow, capital of Fukien province.

A common assumption here is that the United States wanted the Nationalists to withdraw from Nanchishan at the time of the Tachen evacuation.

A big question now facing the Nationalists is how to explain away an evacuation of Nanchishan, if such a pull-out is ordered.

DERAILMENT TIES TRAFFIC

OAKLAND, Md. (AP) — A freight train derailed in Oakland early today delayed Baltimore and Ohio railroad traffic as much as five hours, a railroad spokesman said.

Three diesel engines and 21 empty coal hoppers were derailed when one of the diesel units hit a bulldozer that fell from another train. No injuries were reported.

The derailed was about an eighth of a mile west of the B & O station. All 85 hopper cars being hauled by the train were empty.

The railroad said one east-bound lane was expected to be opened about noon and a west-bound lane cleared later today.

From Cumberland to Grafton, W.Va., traffic was being rerouted via Connellsville, Pa., instead of through Keyser, W.Va., and Oakland.

The railroad said train No. 4, the Diplomat, would be about 5 hours and 20 minutes late getting into Washington.

Snow, High Winds Balk Rescue Work

RIETI, Italy (AP) — Efforts to recover 18 bodies still trapped in the wreckage of a Belgian Sabena airliner were halted today by weather.

Snow and high winds enveloped Mt. Terminillo, on whose slopes the DC6 aircraft crashed Feb. 13. Four Americans were among the 29 persons killed. The wreckage was found, half buried in the snow, eight days later.

Authorities said the recovery work would start again as soon as the weather permits.

A total of 11 bodies had been recovered by nightfall yesterday. Nine of the bodies have been identified.

State Senate Passes Money, Police Bills

HARRISBURG (AP) — A Senate-passed bill providing a \$35,000 deficiency appropriation for the Joint State Government Commission was before the House today.

Another bill passed by the Senate yesterday would provide for payment of salary, medical and hospital expenses of state policemen injured while on duty.

SUES FOR BILL

Roy E. Goldsmith, 310 W. High St., filed an action in assumpsit against Wrenice W. Kauffman, Cumberland Twp., this morning with the prothonotary. Mr. Goldsmith's complaint states that he placed a new galvanized roof on the defendant's barn in September, 1953, and that the defendant has refused to pay a portion of the bill. He is suing for the unpaid portion, \$678.80, plus interest since that date.

SP SCRIBES WILL MEET

A meeting of the South Penn Sportswriters Association will be held Sunday afternoon, March 6, at 2 o'clock in the offices of The Gettysburg Times at which time all-league basketball selections will be made. Coaches of the league will assist in picking the teams.

LONDON (AP) — Benjamin Gigli, the great Italian tenor, announced at a news conference last night he will retire in June.

Gigli, who will be 65 March 20, told the reporters: "I want to go while the applause is still great and the crowds are still large."

Donald Staub reported books in the hands of all firemen. Chairman Menges asked those unable to dispose of the books to return them for further distribution.

Menges said that all of the "rides" at the carnival last year have been signed for appearance again at this year's event.

Fire Chief Donald McSherry reported for both the parade committee and the special committee arranging for appearance of a choir at one of the special events in connection with the observance. He said that Parker Wagnild, director of the Gettysburg College choir, has tentatively agreed to direct the choir for the celebration.

Won't Give Chou London Invitation

LONDON (AP) — Prime Minister Churchill today rejected Laborite suggestions he invite Premier Chou En-lai to London to discuss the Formosa situation or go to Peiping himself.

Churchill told the House of Commons Red China "failed to take advantage of the excellent opportunity of making their views known when they rejected it seemed rather scornfully, the invitation to attend the proceedings of the Security Council."

"In the prevailing circumstances," the 80-year-old statesman added, "I doubt if the visits suggested would be fruitful or even helpful."

LIKE IS PRAISED FOR HIS STAND AGAINST REDS

By TOM BRADSHAW

PHILADELPHIA (AP) — Republicans on both the national and state level moved to close ranks and heaped praise on President Eisenhower at the annual meeting of the Pennsylvania Manufacturer's Assn. Sen. Everett Dirksen (R-Ill.), who has been a proponent of Sen. Joseph R. McCarthy (R-Wis.), was the principal speaker at the PMA's dinner meeting last night and declared that one of the President's finer contributions has been "his firm stand against communism." McCarthy has recently been critical of phases of the President's program to combat communism.

On the state scene there were strong indications of a move to heal fissures within the party. Foremost indicator was praise by G. Mason Owlett, GOP national committeeman from Pennsylvania for Sen. James H. Duff, an original Eisenhower backer.

Owlett For Ike

Owlett has been allied with the party with Sen. Edward Martin (R-Pa.) and had been a backer of the late Sen. Robert Taft (R-Ohio) for the GOP presidential nomination won by President Eisenhower in 1952.

Owlett urged the re-election of the President in 1956. Joining Owlett and Dirksen with words of praise for the chief executive were Reps. Charles E. Halleck (R-Ind.) assistant House Republican leader, and Richard M. Simpson (R-Pa.).

Dirksen told the dinner meeting "the endurance of the country against communism is no longer an academic question. We owe a great debt of gratitude to President Eisenhower for his stand in this situation."

Cites Deficit Danger

Dirksen also told the PMA dinner audience another great danger to America is "the danger of deficit financing which we have had for the last 23 years. When solvency goes out the window freedom goes with it."

In introducing Duff, Owlett said the state was "fortunate in having two such good senators in Washington." The introduction marked the first time that Owlett—long a political lieutenant for former Sen. Joseph R. Grundy and the GOP faction he has represented—had gone so far in praising Duff, an outspoken critic of Grundy.

Duff was one of the early advocates of the presidential candidacy of Eisenhower and in so doing was opposed by other factions of the state Republican party.

Predicts Tax Cut Veto

At the luncheon meeting of the PMA, Halleck predicted President Eisenhower would veto the Democratic-backed proposal to cut each tax payer's income tax by \$20.

Halleck, who appeared at the luncheon meeting a few hours after GOP leaders met with President Eisenhower at the White House on the tax issue, emphasized he wasn't speaking for the President.

Simpson told the luncheon that the Democrats "breached the truth" by changing the foreign trade bill proposed by the administration last year. Simpson also said the income tax cut proposal by the Democrats is "dishonest" and added the suggestion "proved the Democratic party in Washington can't be trusted."

Miller Announces For Prothonotary

Herbert W. Miller, Biglerville R. 1, poultryman and fruit grower, today announced his candidacy for the Democratic nomination for prothonotary subject to the decision of the Democratic voters at the primary May 17.

Miller taught school in Fairfield, Littlestown and Biglerville and served a six-year term as school director in Menallen Twp. He was also the Emergency Farm Labor assistant for the then Pennsylvania State College Extension work with offices here in 1942 and 1943. He is married and has three children.

MOUNT CARMEL, Pa. (AP)—Three hundred miners were killed in a fire which destroyed the tipple and coal preparation plant at the nearby Germantown Mine of the Raven Run Coal Co. The mine is located between Mount Carmel and Ashland.

Officials of the company estimated at \$100,000 the damage caused by the fire which swept the tipple last night. The origin of the blaze was undetermined.

Those in charge of the baking were Beulah Shaffer, Helen Snyder, Helen Hawbecker, Tresa McGlaughlin, Gladys Roe, Sybil Untger, Eppie Sterner, Ollie Barbour, Marian Coulson, Anna Osborn and Maude Shetter. They were assisted by Nellie Payne, Alma Howie and Rosie Kime.

At their regular monthly meeting Monday evening, the Kitchenettes made plans to hold a food sale Saturday, March 26, in front of Dugan's Barber Shop, Biglerville.

Mrs. Mae Slaybaugh and son, David, Biglerville, were recent visitors in Philadelphia for a few days.

Parking Banned In Alley

An ordinance was passed banning parking in the Zerling Alley.

The placing of a stop sign at Prince St. and Newark St. was discussed at length and District Attorney Daniel Teeter was instructed to review the law governing the situation.

Mr. Teeter also presented a deed from I. H. Crouse and Sons, Littlestown, presented by Swope, Brown and Swope, Gettysburg, regarding the proposed streets, regarding the Carroll Shoe Factory and Rolling Acres Elementary School. Secretary Keefer and the Street Committee were instructed to go over the deed and prepare a report for the March meeting.

Table 24-Hour Tollerance Duty

The problem of 24-hour police protection in Littlestown was discussed and the matter tabled until the next meeting.

President James V. Yingling was in charge of the monthly meeting.

Water service permits were issued to Mr. Bernice Munert, 32 E. King St., and John N. Staub, 36 E. Myrtle St.

The Street Committee reported that all the repairs suggested at the last meeting had been completed. It was also mentioned that there are several bad conditions on E. King St. and council instructed Secretary Keefer to call the Department of Highways and ask them to repair them. Keefer was also instructed to call the gas company to ask them to repair several rough surfaces on the main streets of town.

A building permit was given to Harry W. Stavelly Jr., 14-16 W. King St., Littlestown, to construct or erect a wooden display sign, 12 x 24 inches, eight feet above sidewalk.

Chief of Police Charles Everhart submitted the following report for the period between January 25 and February 22: Motor code violations, too fast for conditions, 8; reckless driving, 2; traffic light violation, 4; failure to stop for stop sign, 1; improper pass, 1; driving when not licensed, 1; driving during suspension, 1.

Littlestown NOMINATE PTA OFFICERS FOR YEAR TUESDAY

Officers were nominated for 1955 at the monthly meeting of the Littlestown Parent-Teachers Association Tuesday evening at Rolling Acres Elementary School.

The slate of officers included: Elmer Shildt, president; Charles Ritter, first vice president; Mrs. R. C. Harbaugh, second vice president; Milton Harner, third vice president; Mrs. Charles Tressler, secretary; Mrs. Preston Myers, treasurer.

The nominating committee consisted of George Strevig, chairman, Dorothy Crabbe, Mrs. Wilson Green, Mrs. Robert V. Weaver and Preston Myers.

To Plant Shrubbery
John Riley, chairman of the shrubbery committee for Rolling Acres Elementary School, reported that a bid had been received from Lincolnway Nurseries and that they would plant the circle and the basic shrubs around the building for \$378.75. They also said they would maintain care for the shrubbery for \$10 a year for five years. The bid was accepted.

Mrs. R. C. Harbaugh and Katherine Geiman attended the meeting of the Adams County Association for PTA and reported that the group was organized for exchanging ideas and to have a representative present at the State PTA association meetings. Membership fees for the Littlestown group would not exceed \$5 a year. The group voted that Littlestown should join the association.

The executive officers decided, after the regular business meeting, to hold a food sale. The tentative date is March 18. The committee includes: Mrs. Ailee Rebert, chairman, Mrs. William Seibert, co-chairman, and Mrs. Earl Sites, Mrs. Wade Brown, Mrs. Ralph Crumbacker, Monore Stavelly and Charles Ritter. A sandwich committee was also appointed and consists of Mrs. Robert Miller, Mrs. Kenneth Kroh and Mrs. Irvin Miller.

Fifth Graders Win

Mrs. Knechel, fifth grade teacher, won the PTA award of the month. The refreshment committee for the March meeting is Mrs. Edward Leister, Mrs. John Kump, Mrs. Joseph Long, Mrs. Orville Newman and Mrs. Herbert Wolf.

The meeting was in charge of President Chester Byers. The invocation was offered by the Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church.

A patriotic program honoring Washington and Lincoln was presented by the fifth grade of Rolling Acres Elementary School in charge of Mrs. Menchey and Mrs. Knechel. John Riley, principal of Rolling Acres, introduced the students that participated in the program.

Program Presented

The address of welcome was given by Anne Shadle. The master of ceremonies was Richard Hornberger. The Lincoln program included, "The Childhood of Lincoln," "Some Important Dates," "Nicknames Given Lincoln," and "The Important States." In honoring Washington the group presented a song "Hail to Washington," and "The Ghost of Washington," "Washington's Rules of Behavior," "A Birthday Party," "The Flag of Washington," and "Uncle Sam's Party."

The following pupils presented the program: Bruce Albin, Lester Barnes, Robert Bittle, William Blocher, Ronad Gladhill, Michael Haines, Norman Rager, William Rineman, Robert Rucker, Lester Schue, Leon Showvaker, Alvin Zeigler, Beatrice Arentz, Patsy Croft, Sandra Freeman, Miriam Harner, Rita Heister, Joyce Knight, Arvella Martin, Darlene Mundorff, Carol Reindollar, Barbara Walters, JoAnn Yohe, Peggy Croft, Diane Yealy, Francis Barnes, Richard Motter, Harold Rader, Austin Shoemaker, Pamela Stonestifer, Connie Grove, Carl Bittle, Wesley Haines, Dorothy Forsythe, Nena Luckenbaugh, Linda Oberlander, James Rineman, Melinda Karns, Richard Hornberger, David Eller, Carol Trivitt and Fred Blocher.

Properties were in charge of Carl Bittle, Robert Bittle and William Rineman. Refreshments were served by the committee, Mrs. Milton Harner, chairman, Mrs. Paul Luckenbaugh, Mrs. Elwood Miller, Mrs. Kenneth Kroh and Mrs. Howard Myers.

The next meeting will be held March 15 at Littlestown Junior-Senior High School, Maple Ave., at 8 o'clock.

Littlestown GIRL SCOUTS MARK FEB. 22

The Girl Scouts of Intermediate Troop No. 16 observed Washington's Birthday and Girl Scout Thinking Day at their weekly meeting held on Tuesday evening in the Scout room of the FOE Home, W. King St. The routine opening was conducted by Patrol Three and a program, as arranged by the girls, followed: Reports and poems about George Washington, given by the members of Patrol Three, Linda Strevig, patrol leader; patriotic story, Patrol Two, Donna Rabenstein, leader; playette on Washington, Patrol One, Grizelda Hahn, leader.

A reading on Thinking Day was given by Mrs. Monroe G. Morelock, assistant leader of the troop. At the close of the program and brief business discussion, doughnuts, in keeping with Shrove Tuesday, and grape juice were served. Mrs. John C. Porry, troop leader, was present. Troop 16 will meet next Tuesday at 7 p.m.

The Rev. William C. Karns, pastor of St. John's Lutheran Church, was the guest speaker at the meeting of the Junior Fellowship of Centenary Methodist Church, held on Monday evening in the parsonage social room. The Rev. Mr. Karns spoke to the boys and girls on the subject "Jesus Begins His Work."

A discussion on the subject followed. Barbe Miller was junior leader for the meeting which opened with the following devotions: Scripture reading, Ronald Ruggles; prayer, Joan Barton; Bible story told by Barbe Miller. A patriotic program, in keeping with the birthdays of Washington and Lincoln, included an exercise, "The Beauty of America," Bailey Barnhart, William Fuss, Joan Barton and Albert Miller III; song by Connie Gillespie, Carla Setz, Wayne Barnhart, Karen Dutcher and Sally Runkle; reading on the history of Washington, Susan Runkle; duet, "Yankee Doodle," Albert and Shelley Miller. Reports were given by the secretary, Joan Barton, and treasurer, Ronald Ruggles. Fourteen members and one visitor, Judy Dickensheets, were present. Joan Barton was selected to be junior leader for the meeting next Monday at 7 p.m.

A covered dish supper will be held in conjunction with the February meeting of the Starr Bible Class of St. Paul's Lutheran Church on Thursday evening, 6:30 p.m., in the church social hall. ANNUAL REPORT OF EAST BERLIN PLACED ON FILE

East Berlin showed a profit last year in the total of its general, water and highway funds, according to the annual report filed Monday with the clerk of courts by Borough Secretary H. J. Phillips.

The cash on hand for the three funds was \$11,834.47 at the start of 1954, and \$12,653.77 at its close. Receipts, exclusive of cash on hand, totaled \$15,448.91, and expenditures were \$14,629.61. No debts or unpaid bills were listed.

The main source of revenue for the general fund was the ten-mill real estate tax, which yielded \$4,839.12 in current collections and \$2,368.36 in back payments. The occupations tax brought in \$411.92 and \$236.47 for previous years. East Berliners still owe \$226.51 in the former and \$77.30 in the latter levies.

Other income included \$542.45 from the county, \$301.29 from the sale of property, \$200 from liquor licenses and taxes and \$69 in fines, all added to the general fund.

General Expenditures
General fund expenditures included \$999.70 for administrative purposes, \$317.67 in tax collections, \$354.55 for the maintenance of borough buildings and offices, \$567.50 for the salary of the police chief, \$116.06 for traffic signals, \$673.12 for fire protection, and \$1,317.49 for street lighting. The \$3,493.01 earmarked for street expenses includes \$1,148.27 paid out in wages and \$2,174.12 for materials.

The special water fund showed an income of \$5,543.05 from the metered sale of water. The expenditures included \$239.50 for water purification, \$1,178.88 for costs connected with the pumping of the water, \$3,972.41 for its distribution, \$275 in salaries, and \$400 for the purchase of land, for possible future expansion of the water system. The special highway fund was \$753.92 and \$628.55 was withdrawn.

The report is signed by East Berlin's auditors, D. Earl Wagner, E. R. Altland, and Lavere Burgard.

TWENTY-FIVE YEARS AGO

Fifty Officers To Escort War Wives
Abroad: Fifty army officers will accompany the pilgrimage of more than 6,000 war wives and mothers to the graves of husbands and sons in France this spring and summer.

Included in the pilgrimage will be six Gettysburg and Adams county women. They are Mrs. Elizabeth C. Bell, Mrs. Cora Myrtle Bell, Mrs. Lenora B. Mickley, of Gettysburg; Mrs. Sarah E. R. Taylor, of Gettysburg; Mrs. Ida F. Taylor, of Bendersville, and Mrs. Mary Crist, of Hampton.

Peters Heads Farm Bureau: John B. Peters, Gettysburg, was re-elected president of the Adams County Farm Bureau at the fifth annual meeting at the courthouse Tuesday. About 60 farmers attended the morning and afternoon sessions.

Other officers chosen included S. L. Hoke, Littlestown, first vice president; A. B. C. Williams, York Springs, secretary; and H. F. Stam-baugh, Abbottstown, treasurer. Directors elected included E. A. Waybright, Gettysburg; M. F. Stoner, Fairfield; John E. Bieseker, Orrtanna; W. C. Hoffman, Biglerville; J. W. Cook, Flora Dale, and directors-at-large, A. C. Keffer, Cashtown; Paul Reaver, Gettysburg; Q. D. Rebert, Littlestown; George A. Herring, Orrtanna, and Charles W. Weaver, New Oxford.

Miss Peters Heads Business Girls: Miss Margaret Peters was elected president of the Business and Professional Girls club of Gettysburg. Other officers chosen included Miss Eva Raffensperger, vice president; Miss Caroline Rupp, secretary; Miss Mary Sponseller, treasurer.

The club met Thursday evening at 7:30 o'clock at the Y.W.C.A. for a class in gymnastics.

Loan Association Directors Guests
At Dinner: N. B. Schnurman, vice president of the Gettysburg Building and Loan Association entertained officers and directors of the association at a pork and sauerkraut dinner at his home on Baltimore street Wednesday evening.

The guests included Dr. P. M. Bickle, I. L. Taylor, J. B. Hamilton, Franklin Rudisill, J. E. Stahle, M. W. Stansbury and John C. Stahle.

\$5,900 Conflagration Damages
Bendersville Hotel, Stable, Garage: Preceded by an explosion, fire destroyed the stable and garage in connection with the Elkhorn hotel, Bendersville, late Friday night with a loss estimated by M. J. Heller, proprietor, at \$5,900.

The explosion of a can of gasoline or oil, ignited in some unaccountable manner, set fire to the two buildings which adjoined and threatened other structures.

More Than 100 At D.A.R. Party: One hundred and ten persons attended the annual Washington's birthday card party given by the Gettysburg Chapter of the Daughters of the American Revolution at the Hotel Gettysburg Friday evening.

Mrs. H. D. Sheppard, Hanover, regent of the chapter; Mrs. J. E. Musselman, Mrs. Walter H. Danforth and Mrs. Earl Diehl were in the receiving line.

Local Girls At Harrisburg Meet: Miss Anne MacFarlane was in charge of the delegation that left Friday afternoon for Harrisburg to attend the mid-winter conference of Girl Reserves at the Y.W.C.A. building. Other advisors in the party were Miss Margaret Stauffer, Miss Evelyn Orner and Miss Mary Bowersox.

Girls who attended were: Mildred Harner, Louise Mehning and Kathryn Schriver, Littlestown; Marie Kuhn, Cashtown; Jean Rice, Ardenstville; Helen Baker and Kathryn Ruzer, Biglerville; Sarah Thomas, Eleanor Romberger, Edna Saby and Peggy Zinn, Gettysburg.

Return From Trip: Elmer L. Haner, Robert Wisler, Bernard Gordon and Charles Lawler returned Sunday from a two weeks' motor trip to Florida.

Personal: Mr. and Mrs. W. Clarence Sheely returned to Gettysburg Thursday from a week's wedding trip. They are residing in an apartment in the Lippy building, Chambersburg street.

District Attorney John P. Butz.

Today's Talk

RELAX, BE YOUR BEST!

One of the greatest wrestlers I have ever seen work was interviewed after one of his contests and asked the secret of his marvelous physical development, and the perfect condition in which he always seemed to be. His reply was that he was always relaxed when he wasn't in action.

I have studied other athletes and note that the greatest are usually relaxed and not tense. When you are relaxed you are at your best. It's then rest time, and to get the most from it all tension must immediately be dropped—all worry, too, for this is one of the prime instigators of tension.

Much has been written about the fact that Edison, Napoleon, and others seem to have required so little sleep. They got their sleep all right, but took it in short periods. They all learned the value of relaxation. No one can work at full speed all the time.

So many say that they "try so hard" to relax, but somehow can't. To such I would say: Don't try—just relax! Edison would lie down and in a matter of minutes would be asleep, so perfectly had he trained himself to relax. Learning to relax is sure to add many happy years to your life—you are always at your best when you do.

Joseph Kennedy, in his fine book entitled "Relax and Live," had this to say: "Relaxation is not something you do; it is something you DON'T do. Doing requires effort, and effort makes tension. You relax when you stop doing, when you stop making efforts."

What makes prayer so effective is that we are mostly relaxed when we pray. We excursion from our selves and seek after God. We forget about ourselves while adventuring in the realm of the spirit. Then it is that we relax and are at our best.

Tomorrow Mr. Adams will talk on the subject: "Outdoor Poems" Protected, 1955, George Matthew Adams Service

Just Folks

ASH WEDNESDAY

Now Lent returns. Men turn away from joys the selfish flesh desires. And try to give, by night day.

The care the soul within requires.

The flesh in raiment fine would dress. And pleasure make its only goal. But that's the pride of selfishness Which does not glorify the soul.

When Satan tempted: "Into bread Turn now by your command this stone." The Master, who had fasted, said: "Man shall not live by bread alone."

Now Lent begins. From world delights The flesh would tempt us to provide. For forty days and forty nights, As once did He, we turn aside.

WIFE SAMPLED TWO CULTURES

By JANE EADS

WASHINGTON — Mrs. David Wilson, wife of a young American public affairs officer, reports from experience on the variety of life in U.S. foreign service. She spent four years in Helsinki, Finland, and two years in Pretoria, South Africa. In both places she made it a point to get out and learn something of the culture, customs and attitudes of the people who live in these widely contrasting capitals.

In South Africa, there was much sunshine and a lot of wide open spaces, and people live in big houses. Finland was just the opposite. Even in the country, people live in apartments because of the heating and materials costs. But the Wilsons, both born in Portland, Ore., and now home on leave, lived in a house.

"I'm sure I'll never have such a convenient house again," Mary Wilson told me when she passed through Washington. "There was no leak of any air around any window, which made it warm. We

ZHUKOV SAYS U.S. PREPARES FOR NEW WAR

MOSCOW (AP) — Marshal Georgi Zhukov, Russia's new defense minister, today accused "United States monopolists" of "preparing openly a new war" against Russia, Red China and their allies. He made the charge in an order of the day for Soviet Army and Navy Day.

Zhukov, wartime friend of President Eisenhower, said the "monopolists" head "aggressive forces in imperialist countries" who are "setting up political groups and military blocs and exerting every effort to resurrect German militarism."

He declared today's Army and Navy Day celebration is being held in an "atmosphere of successful struggle for fulfillment and over-fulfillment of the five-year plan, further powerful development of the upsurge of all branches of the national economy, and of the consolidation of the might of the Soviet state and the growth and well-being of our people."

Zhukov Sets Pace

His emphasis on heavy industry was in line with recent speeches by other leading government officials and newspaper editorials.

Zhukov set the pace for the Army and Navy Day celebration in a speech to notables of the Communist party, government and armed forces last night at the Bolshoi Theater. It was his first speech since assuming the Defense Ministry and was studied closely by Western observers for its bearing on future Soviet military policy.

Among those attending were Premier Nikolai Bulganin, Communist party chief Nikita Khrushchev and Marshal Vasily D. Sokolovsky, chief of the Soviet general staff.

Zhukov charged "aggressive circles in the United States" with "carrying out active preparations for war and preaching it from every pulpit." In contrast, he said the "Soviet people is a peace-loving people, but it knows its strength. It is not threatening anybody with it. However, if aggressors should attack our country and force the Soviet people to take up arms, then let them blame themselves."

He made no sweeping pledges to any group in the badly divided Assembly. Instead, he suggested unspectacular moves to raise gradually the standard of living in France, further stimulate industrial production and work out distribution problems for surplus farm products.

19-Day Crisis
Faure's bid for the premiership came as the government crisis resulting from the ouster of Pierre Mendes-France entered its 19th day. The Assembly rejected three previous candidates — Antoine Pinay, Pierre Pflimlin and Christian Pineau.

Political observers estimated Faure would win with around 320 votes. This would give him a working majority — at least for the present — of the 625-seat Assembly.

It was believed that Faure had helped his cause by not asking special economic powers to carry out his program. The obvious weariness of the lawmakers over the long search for a new premier also was figured to aid him.

Faure is a Radical Socialist (moderate) like Mendes-France, although generally considered a bit

Artificial Smoke May Cut Heat Wave

CHARLESTON, W. Va. (AP) — The chief chemical officer of the Army announced last night that artificial smoke can be used to reduce effects of the searing heat from an atomic bomb blast.

Maj. Gen. William M. Creasy said such smokescreens ward off some of the heat just as clouds stop some of the sun's warmth. In addition, he said, the number of secondary fires in buildings and trash of a city would be reduced.

The general told the local chapter of the American Institute of Chemical Engineers that preliminary smoke tests have been made at the nuclear proving ground in Nevada and that a full-scale test will be made during the present experiments by the Atomic Energy Commission.

NEW PREMIER OF FRANCE MAY WIN APPROVAL

By HARVEY HUDSON

PARIS (AP) — Premier Edgar Faure laid his program and prospect cabinet before the National Assembly today, asking approval to head France's 21st postwar government. His chances generally were considered good.

Outlining his aims if given the job, Faure said he would work for final ratification of the Paris treaties rearming West Germany. These pacts have been approved by the Assembly but still face action in the upper house.

After final ratification of the treaties, Faure said, new efforts should be undertaken immediately to arrange for Big Four negotiations on both European and Asian problems.

He made no sweeping pledges to any group in the badly divided Assembly. Instead, he suggested unspectacular moves to raise gradually the standard of living in France, further stimulate industrial production and work out distribution problems for surplus farm products.

8 POWERS SET SECURITY GOAL FOR S.E. ASIA

By DON HUTH

BANGKOK (AP) — Eight powers set goals of military security and economic progress for Southeast Asia today, then took up the task of hammering Manila Pact principles into a bulwark against communism.

Under the soaring golden roof of Thailand's Royal Ananda Samkorn Palace, the 150 delegates moved into closed session after opening addresses by eight foreign ministers and Thai Premier Pibulsonggram.

Their immediate task is to organize a permanent council of foreign ministers and a secretariat and set up military, economic and antisubversive committees to carry out decisions of the council.

Aimed At No One

The Manila Pact nations are the United States, Britain, New Zealand, Australia, France, the Philippines, Thailand and Pakistan.

The scope was stated by Premier Pibulsonggram. Speaking from under Thailand's royal nether umbrella in the glittering Throne Room, the slight, graying Premier said the Manila Pact provides "for comprehensive measures of defense and prevention. This is fortunate, for not only military and security measures are contemplated, but also measures for fostering freedom and culture, for promoting higher living standards, economic progress and social well-being of the people of the area."

U.S. Secretary of State Dulles declared that the Manila Treaty "is directed against no government, against no nation and against no peoples."

Dulles' Views
Dulles declared the United States was at the conference to carry forward its "time-honored policy . . . first . . . that we want our own people to enjoy, in peace, the blessings of liberty."

"The second is that we cannot assure liberty for ourselves unless others also have it. Freedom cannot thrive in an environment that is hostile to freedom."

Dulles reminded the delegates that the Manila Treaty was approved by a Senate vote of "unprecedented proportions."

"It was recognized that this treaty is directed against no government, against no nation and against no peoples. Rather it is a treaty to safeguard the independence, the integrity and the well-being of friendly and free peoples."

DEATHS

PARIS — Paul Claudel, 86, noted French diplomat and writer. Born in Villeneuve-sur-Fin, France. Died today.

PHILADELPHIA — Daniel G. Redmond, 59, editor and publisher of Current History magazine. Born in Philadelphia. Died Monday.

WASHINGTON — Calvin H. Goddard, 63, a retired Army colonel, doctor, military historian and criminologist who developed the system by which bullets may be traced to the guns that fired them. Born in Baltimore. Died yesterday.

ATLANTIC CITY, N.J. — Lt. Cmdr. Charles William Gibbo, 45, ordnance officer of Composite Squadron 33, Atlantic City Naval Air Station at Pomona, and a Navy man for 30 years. Died yesterday.

SAVANNAH, Ga. (AP) — Milton Stover Eisenhower Jr., of State College, Pa., a nephew of President Eisenhower, has been named a co-defendant in two auto accident suits for damages totaling \$26,753.

Mrs. W. A. Holland of Chatham County said in one of two suits filed yesterday that her husband's car, in which she was a passenger, had halted in a line of autos near Milledgeville Sept. 26, 1953, when a car driven by Donald E. George of Kune Beach, N. C., crashed into the rear of the line, causing a multiple collision. Seconds later, she claims, another car driven by Eisenhower also crashed into the line.

You can stretch that hamburger meat if you add soft bread crumbs and milk, along with your regular seasonings, to it. Make into patties and be sure to cook them slowly; these patties should be on the well-done side. Add a few tablespoons of water to the drippings in the skillet, after you have removed the cooked patties, bring to a boil and pour over the meat.

GHS Folds In Last Half To Bow At Shippensburg; Scrubs Suffer 44-43 Loss

After giving the Shippensburg Greyhounds a stiff battle throughout the first half, the Gettysburg High School cagers collapsed in the final two periods when they were limited to but five field goals and dropped a 63-39 decision in the new Shippensburg gymnasium Tuesday evening. At half time the Greyhounds led 29-25.

The loss was the 16th in a row for the Warriors and dropped their season record to 2-17. They will wind up their home season with Carlisle, second half leaders in the South Penn race, Friday night.

Dick Pennington's nine points in the first period, seven coming on eight tries from the foul line, kept the Warriors in contention. Frank Wyrick, Greyhound center, second in scoring in the league, tabbed a similar number for his team who led 13-12 at the end of the frame.

Wyrick added eight more tallies in the second period to lead the Greyhounds to a 29-25 half-time advantage. Rolf Johnson and Merle Gorman collected six and five for the Warriors with Pennington adding a goal.

Greyhounds Race Away
Shippensburg iced the game in the third period with 16 points, Kauffman sparking a well-rounded attack with three goals and a trio of fouls. Johnson and Evely netted the only GHS goals while Dick Hise picked up a pair of fouls and Glenn Weishaar one.

In the final period it was all Shippensburg as Gettysburg was held to goals by Ronnie Williams, Johnson and Weishaar, plus a foul by the latter. Meanwhile Shippensburg poured 18 points through the cords.

Wyrick led the winners with 19 points while Johnson sparked Gettysburg with an even dozen. The Warriors reserves dropped a 44-43 decision after a thrilling preliminary game. A last quarter rally just missed for the locals.

G-BURG JUNIOR HI CAGERS WIN 2ND DECISION

The Gettysburg Junior High School cagers crashed into the win column for the second time this season by nipping Shippensburg 24-21 here Tuesday evening.

Shippensburg, coached by Joe Lang, former Gettysburg College star, hopped off to a 5-1 lead in the first period but Coach Howard Shoemaker's lads scrapped back to take a 9-7 half time advantage.

The Braves boosted their lead to 17-10 going into the last frame and then were forced to withstand a last period rally by the visitors.

Sidney Steindor led the Braves with nine points and Bob Staley added seven. Both were given fine all-around support by all participants for Gettysburg. Reed topped Shippensburg with seven tallies.

Shippensburg's reserves captured the preliminary contest in a nip and took affair 34-32.

After leading 18-17 at half time, the locals fell behind in the third frame. Gary Maitland topped all scorers with 16 points while Jones landed 14 for Shippensburg.

On Friday the Braves journey to Carlisle.

Bullet Matmen Set Local Mark With 36-0 Win Over Elizabethtown Grapplers

TCU, COLUMBIA, MANHATTAN HIT BY UPSET RASH

By ED WILKS
The Associated Press

Just when the college boys finally seemed to be playing true to form, old man upset aroused himself and whacked Texas Christian, Columbia and Manhattan in basketball last night.

TCU appeared to have the Southwest Conference race under control, but Baylor, a 50-50 team in league play, smacked the Frogs 79-68.

Manhattan, all set for the NIT as the best of the crop in metropolitan New York, was spilled by little Hofstra 81-74 in overtime, and Columbia said goodbye to its Ivy League title hopes as Dartmouth came up with an 84-63 decision.

TCU's Dick O'Neal, the scoring sophomore, totaled 35 points but it wasn't enough and came too late. Jerry Mallett was high for Baylor with 32 points.

Wilson Upsets Columbia
TCU needed only a split in its final two games to clinch at least a share of the championship. Now the Frogs (8-3) will have to get past Arkansas March 1 to hold that guarantee. The Razorbacks just dropped out of the race last night in an 83-69 defeat by Southern Methodist (7-3), hot on TCU's trail with two games remaining.

Dartmouth's victory over Columbia, which had been tied for second behind Penn in the Ivy, was the work of Captain Glenn Wilson. He got Dartmouth off to a 10-4 lead and then hit for 17 points in the final 10 minutes to set a one-game scoring mark for the Indians with 35 points.

Other Results
Colorado bolstered its Big Seven lead with an 80-69 triumph against also-ran Kansas.

North Carolina State wrapped up first place in the Atlantic Coast Conference by defeating North Carolina 79-75.

Duke outlasted Virginia 106-92 as Ron Mayer and Junior Morgan combined for 58 points.

Richmond defeated high-scoring Furman and Darrell Floyd 79-73 from the free throw line. Floyd, No. 1 scorer in the nation, got 34.

RIFLEMEN TOP LA SALLE
The Gettysburg College army ROTC rifle squad won its seventh decision against one reverse by defeating La Salle 1,324-1,277 in a recent match here.

Only four Orioles — pitchers Lou Kretlow, Preacher Roe and Jim McDonald and outfielder Cal Abrams — have not signed, and none are expected to pose a problem.

More Players Sign
"I'm also high on Frank Sullivan. I don't see how he can miss winning 20 games this year, barring injuries. He has the know-how and the desire."

Meanwhile signed contracts continued to dribble in. Chuck Dietrich, who probably will play a major role in the success or failure of the revamped Baltimore Orioles, came to terms for an estimated \$2,000 raise. No figure on the contract was given.

Only four Orioles — pitchers Lou Kretlow, Preacher Roe and Jim McDonald and outfielder Cal Abrams — have not signed, and none are expected to pose a problem.

Friends Surprised
The announcement surprised even close friends who had watched the determined girl's preparations for a return to her meteoric tennis career, which was interrupted by a horse riding injury to her right leg last July.

"I just don't enjoy tennis any more," said Miss Connolly. "I've lost that old spark, the drive one must sustain to go through a long season's campaign like I have for several years."

"If I don't have that keen interest for tennis, a tour would be no good."

Title At 16
Until last night's announcement, Miss Connolly's dominating ambition had appeared to be the regaining of the U.S. women's crown. She won that coveted title when she was only 16 and held it for three straight years. The riding accident prevented defense of it last September and it was won by Doris Hart of Florida.

Miss Connolly began her tennis career when she was 10. At 14 she captured her first national junior crown. When she won her first U.S. women's singles title in 1951, she was the second youngest player ever to hold the crown.

The youngest was May Sutton, who won in 1904 at the age of 16 years, 9 months. The next year she captured the All-England Championships at Wimbledon in her first attempt. She retained the Wimbledon title the next two years.

RADAR BILL IS BEFORE HOUSE AT HARRISBURG

HARRISBURG (P)—A move to make legal the use of radar in detecting speeders was before the House today.

A new bill would authorize the secretary of revenue to establish official stations for the testing of radar equipment.

"Radar is being used for this purpose in so many cases right now this would only make it legal," said Rep. John J. Vaughan (R—Allegheny), co-sponsor of the measure with Rep. Leo J. McLaughlin (D—Allegheny).

No Organization Backing
"I believe it would likely cut down on speeding too," he added. "After all, you, myself and others have the tendency to slow down if we know radar is being used to watch our speed. And I believe this bill has a chance to pass."

He said he offered the measure on his own behalf without the expressed support of any organization.

The bill calls for the radar test to cover at least an eighth of a mile and to be made by at least two officers.

All radar equipment would have to be tested for accuracy every 30 days. The testing stations would issue a certificate attesting to the accuracy of the equipment.

Other House Bills
Other new House bills would:

Raise maximum weekly workmen's compensation for total disability from \$32.50 to \$37.50—Francis X. Muldowney (D—Phila.) and Henry Cianfrani (D—Phila.).

Fix fines from \$100 to \$300 for selling a wrapped loaf of bread that does not contain a declaration of net weight upon it—Andrew C. Thomas (D—Allegheny) and John J. Vaughan (R—Allegheny).

Amend the state constitution to allow wives of servicemen on active duty to cast absentee ballots—J. Dean Polen (D—Washington) and Stephen McCann (D—Greene).

Would Change Judges' Term
Increase the present 10-year term of Superior Court Judges to 21 years and limit them to a single term—E. E. Lippincott (Delaware).

Allow liquor to be served on scheduled commercial air lines—Anthony J. Petrosky (D—Westmoreland).

Grant free hunting and fishing licenses to persons 66 or more—Harry W. Price Jr. (R—Mifflin).

Make mandatory a prison sentence of five days to three years in addition to payment of a fine for conviction on drunken driving charges—James L. McWherter (D—Westmoreland).

Money For Towns
Maintain the job seniority of persons elected to the General Assembly—J. Dean Polen (D—Washington) and Stephen McCann (D—Greene).

Appropriate \$25,000 for the distribution and planting of nut and wild fruit trees—H. J. Maxwell

(D—Westmoreland) and John H. Moody (R—Dauphin).

Appropriate two million dollars for payment to municipalities for sewage treatment plant construction under the clean streams program—Charles A. Auker (R—Blair).

Increase from \$3 a day to \$6 the fee for court witnesses—Charles A. Auker (R—Blair).

Allow school directors to be paid up to \$25 a month—J. P. Moran (D—Allegheny) and Andrew C. Thomas (D—Allegheny).

Teeth For Bus Bill
Require the permanent revocation of the license of a driver who violates the school bus law and causes injury to a school child—J. P. Moran (D—Allegheny) and Andrew C. Thomas (D—Allegheny).

Extend to Dec. 31, 1955, the time limit for application for a World War II veterans bonus—Nolan F. Ziegler (R—Dauphin), Robert S. Ogilvie (R—Dauphin), John H. Moody (R—Dauphin).

Require all trains to carry a flagman—Martin J. Taylor (D—Phila.) and Dominick E. Cioffi (D—Lawrence).

DST Referendum
Authorize the use of fruit flavors in milk—E. J. Farabaugh (D—Cambria) and Louis Rovaneck (D—Cambria).

Require liquor board enforcement officers to inform licensees of violations noted on any visit before the board could suspend or revoke license—Michael R. Flynn (D—Washington) and C. O. Williams (D—Washington).

Call for a referendum on the question if voters want daylight saving time to become the official time during summer months—J. P. Moran (D—Allegheny) and Louis Rovaneck (D—Cambria).

Eliminate capital punishment in first degree murder cases—James L. McWherter (D—Westmoreland).

About one third of the United States is arid or semiarid.

Bill Would Raise Size, Pay Of Police

HARRISBURG (P)—Five Delaware County Republicans representatives today supported a bill to increase the size of the state police force and to raise the pay of state policemen by 10 per cent.

A bill submitted Monday would authorize a state police force of 2,500 men, just 800 above the present authorized strength.

Sponsors of the measure are Reps. Peter J. Murphy, Clarence D. Bell, J. Warren Bullen, Joseph W. Isaacs and John H. Foster.

Would Probe Fuel Oil Import Limits

HARRISBURG (P)—A federal investigation into limiting fuel oil imports would be asked under a joint legislative resolution.

The proposal says such an investigation is needed "in order to avoid further loss of employment in the United States, impairment of the anthracite and bituminous coal industries and unwise dependence on foreign sources of fuel."

It cites what is termed "incalculable damages" inflicted on coal industries of the state "because of unrestricted importations of residual fuel oil."

Introducing the resolution yesterday were Reps. Michael J. Needham (D—Lackawanna), Marion L. Munley (D—Lackawanna), J. Dean Polen (D—Washington), C. O. Williams (D—Washington), Stephen McCann (D—Greene), Michael R. Flynn (D—Washington), Louis Rovaneck (D—Cambria), A. V. Capano (D—Washington) and Joseph G. Wargo (D—Lackawanna).

The record high temperature for one Maine weather station is 106 degrees Fahrenheit compared to the record of one Florida station—96.

HARRISBURG (P)—Five Delaware County Republicans representatives today supported a bill to increase the size of the state police force and to raise the pay of state policemen by 10 per cent.

A bill submitted Monday would authorize a state police force of 2,500 men, just 800 above the present authorized strength.

Sponsors of the measure are Reps. Peter J. Murphy, Clarence D. Bell, J. Warren Bullen, Joseph W. Isaacs and John H. Foster.

Would Probe Fuel Oil Import Limits

HARRISBURG (P)—A federal investigation into limiting fuel oil imports would be asked under a joint legislative resolution.

The proposal says such an investigation is needed "in order to avoid further loss of employment in the United States, impairment of the anthracite and bituminous coal industries and unwise dependence on foreign sources of fuel."

It cites what is termed "incalculable damages" inflicted on coal industries of the state "because of unrestricted importations of residual fuel oil."

Introducing the resolution yesterday were Reps. Michael J. Needham (D—Lackawanna), Marion L. Munley (D—Lackawanna), J. Dean Polen (D—Washington), C. O. Williams (D—Washington), Stephen McCann (D—Greene), Michael R. Flynn (D—Washington), Louis Rovaneck (D—Cambria), A. V. Capano (D—Washington) and Joseph G. Wargo (D—Lackawanna).

The record high temperature for one Maine weather station is 106 degrees Fahrenheit compared to the record of one Florida station—96.

BILLY GRAHAM WINS FREEDOM AWARD FOR '54
By LEE LINDER
VALLEY FORGE, Pa. (P)—Evangelist Billy Graham and St. John's University of Brooklyn were hailed Tuesday by Freedom Foundation for outstanding contributions to the American way of life during 1954.

The awards topped a list of 841 announced by the foundation at special George Washington's Birthday ceremonies at historic Valley Forge where America's first President spent the bitter Revolutionary War winter of 1777-78.

In a flag-draped barn of colonial vintage the foundation honored American citizens, organizations

and schools "for their work in standing" for the United States kind of freedom.

Clifford F. Hood, president of the United States Steel Corp., handed out the awards to the top 25 winners, and distributed \$14,000 in cash prizes. All told, the foundation will pay \$31,000 to 1954 winners, besides honoring 191 high schools. Secondary awards will be presented at regional ceremonies later this year.

Freedom Foundation, a non-profit, non-sectarian organization, started its project to spread the story of American liberties in 1949. At that time, President Eisenhower, then head of Columbia University, gave out the awards.

Graham, who has traveled across the world in his work for God, was cited "for his high resolve, his application of clear strength in the Lord's work and his discernment of the ways to live in Christian dignity in times that have bewildered so many of eminence."

St. John's University citation resulted from a faculty-written book called "Concept of Freedom," which the foundation's awards jury headed by Dr. George D. Humphrey, president of the University of Wyoming, said "contributes mightily to the knowledge of men who study freedom's hard and glorious path."

straight day of attacks against Red China's buildup base on the Taishan Islands, national air force headquarters said.

The air force said its planes roared over the Taishans in four predawn waves and racked up this score:

Two vessels of unspecified type sunk and another possibly damaged, possible direct hit on one Red craft, hits on four Red craft, including a big one, and bomb strikes on Taishan military installations.

The air force said all its planes returned.

NAME BUILDING AT STATE U. FOR PREXY'S WIFE

UNIVERSITY PARK, Pa. (P)—A full day of activities, including the dedication of an atomic energy reactor and ground breaking for an all-faith chapel, Tuesday iced the 100th birthday cake of Pennsylvania State University.

The activities highlighted the school's year-long observance of its 100th year.

The days' events began with the opening of the University park Post Office, a branch postal station situated on the university's campus.

The opening was timed to coincide with the school's birthday.

Dr. Milton S. Eisenhower, head of the school and brother of President Eisenhower, and Judge James Milholland, Pittsburgh, president of the school's board of trustees, officiated at the brief ceremony.

At ground breaking ceremonies for the school's new chapel, Judge Milholland announced it would be named in memory of the late Mrs. Helen Eakin Eisenhower, wife of the university's president. She died

July 10, 1954.

Governor Speaks
Gov. George M. Leader, in a speech prepared for delivery at the university's birthday party, paid "tribute to the achievements of the Pennsylvania State University."

Leader said he looked upon the university, first of all, "as a source of personnel" for government work. He pointed out that Maurice K. Goodard, secretary of forests and waters, and Dr. William L. Henning, secretary of agriculture, are former Penn State men.

"I intend, as time goes on, to make even greater use of the deep resources of human intelligence and experience this university can so justifiably boast."

ABOLISHES DIVISION

HARRISBURG (P)—Welfare Secretary Harry Shapiro has abolished his department's Division of Investigation and reduced the staff of the Bureau of Penal Affairs.

Shapiro said yesterday he hoped the Penal Affairs Bureau would be transferred to the state Justice Department, since the 1953 Legislature gave that department control over the state's prisons.

Fear Attacks On Nanchishan

TAIPEI, Formosa (P)—What appears to have been a routine Communist training exercise raised fears here Tuesday that Red China was about to invade tiny Nanchishan.

About noon, official Chinese Nationalist reports said Communist war vessels were heading toward Nanchishan and Nationalist warships and planes were rushing to engage them.

But there was no attack, and no clash between Nationalists and Communists.

Later reports said the Red convoy apparently had no immediate designs on Nanchishan, President Chiang Kai-shek's northernmost offshore outpost. It appeared the Red vessels diverted their course to mainland harbors. Official quarters said the Red maneuver might have been a training exercise.

The Defense Ministry flatly denied local press reports that Chiang's navy and air force had halted an "apparent invasion of Nanchishan when a Communist task force was turned back" about 10 miles off the island.

The Nationalists said two Red planes flew over Nanchishan for the first time today, but did not attack. There was no contact with Nationalist planes.

Meanwhile, Nationalist President Chiang Kai-shek's warplanes kept the civil war alive with the fifth

straight day of attacks against Red China's buildup base on the Taishan Islands, national air force headquarters said.

The air force said its planes roared over the Taishans in four predawn waves and racked up this score:

Two vessels of unspecified type sunk and another possibly damaged, possible direct hit on one Red craft, hits on four Red craft, including a big one, and bomb strikes on Taishan military installations.

The air force said all its planes returned.

Owlett Calls On State GOP To Unite To Give Eisenhower "Vote Of Confidence In 1956"

PHILADELPHIA (AP)—G. Mason Owlett, Republican national committeeman and president of the Pennsylvania Manufacturers Assn., Tuesday called on the state GOP to unite to give President Eisenhower "a national vote of confidence in 1956."

Speaking at a luncheon of the annual meeting of the PMA, Owlett said the President "is no mere party leader; he is one of the great spiritual leaders of our times."

Owlett, who sought the presidential nomination of the late U. S. Sen. Robert A. Taft of Ohio in 1952, described his recent visit to Washington, where he made a vain attempt to persuade the Republican National Committee to hold their 1956 convention in Philadelphia.

Listened To President
At that time, he said, "I had the great privilege of listening to a party talk by our party leader,"

President Eisenhower. . . As a politician, I can tell you the Republican party is going to win the national election in 1956 because America wants and will insist upon continuation of the type of leadership which Dwight D. Eisenhower has given it. . . We owe it to him and to the nation to harmonize and revivify the Republican party in Pennsylvania and give him our electoral vote."

U. S. Sen. Everett Dirksen (R-Ill.) was the principal speaker at the 46th annual PMA dinner Tuesday night. Also giving brief talks were U. S. Sens. Edward Martin and James Martin and James H. Duff, Pennsylvania Republicans.

Two other luncheon speakers praised the Eisenhower administration and predicted the President would seek reelection and would win.

Rep. Charles A. Halleck (R-Ind.)

said the administration is "avoiding extremes of political philosophy . . . and charting a course to which an overwhelming majority of Americans can subscribe."

Rep. Richard M. Slipson (R-Pa.), dean of the state's Republican congressional delegation, said the President "has done much to protect and to improve the welfare of the individual."

The praise by the luncheon speakers appeared to be a major move to unite the Pennsylvania delegation behind Eisenhower's expected renomination bid in 1956, when the GOP meets in San Francisco. It could have a favorable effect, also, on the anticipated reelection bid by Sen. Duff next year.

Owlett devoted the major portion of his speech to discussing the PMA's stake in state governmental activities and the future outlook on finances and taxation at the state level.

Pleased By Leader
He said he was pleased to note that Gov. George M. Leader, the first Democratic governor in 16 years, "has expressed great interest in expanding our industries and bringing in new industry in areas where employment is down, due to economic factors beyond the control of any of us."

Owlett said he hopes Leader will withhold his support from legislation which would "again make machinery taxable for local purposes."

Then, Owlett noted the fiscal crisis the state now faces and said Leader "has already indicated that

He is a graduate of Fairfield Joint High School with the class of 1954.

this state will have to raise at least 350 million dollars in new revenue for schools and other purposes.

Need Taxes
"Personally," Owlett continued, "I find it hard to visualize the means of raising the necessary funds in this commonwealth, without resorting to some sort of sales tax, an income tax or some other broad base tax."

Owlett said, "Everyone in Pennsylvania wants to provide the best schools, the best hospitals, the best mental care, the highest wages, and the best working conditions . . . but in our desire to achieve these objectives we must not destroy the competitive position of Pennsylvania business, a position already imperiled."

He enlisted in the Air Corps and was inducted on February 1st.

Mrs. Joseph Harbaugh and Mrs. John Whitefield left by auto Monday for Los Angeles, Calif. While there Mrs. Harbaugh will visit her uncle, Charles Sheldon. Mrs. Whitefield will await the arrival of her husband who is serving with the Navy and is enroute from a two-year assignment in Guam.

An organization meeting of the Fairfield Baseball Club was held last Friday evening in the fire hall. Officers elected for the 1955 season are: President, Kenneth Deardorff; vice president, Chester Cornwell; secretary-treasurer, William Shiner; business manager, E. N. Haines Jr.; manager, Clyde McGlaughlin; assistant manager, Joseph Scott Jr.

It was announced that a trophy to be donated by the Fairfield Cut-Rate Store, E. N. Haines Jr., proprietor, will be presented at the end of the playing season to the outstanding player on the Fairfield team. The financial report of the club showed that due to the gate receipts last year the club is able to be self

sustaining.

E. N. Haines Jr. announced the Fairfield Club will again be a member of the Pen-Mar Baseball League. Mr. Haines represented the Fairfield Club at the Pen-Mar League Club meeting which was held on Sunday.

Mr. and Mrs. Walter Leister, Hazleton, spent the weekend at the homes of their parents, Mrs. James Leister, Gettysburg, and Mr. and Mrs. S. L. Allison, Fairfield.

Mrs. Harry Hartzell, Hagerstown, spent the weekend at the home of her mother-in-law, Mrs. Fannie Hartzell.

Miss Lois Henderson and Mrs. Walter Henderson, both of Petersburg, Pa., sister and sister-in-law of Dr. Ira M. Henderson spent Saturday with Dr. Henderson who is a patient at the Warner Hospital.

Mr. and Mrs. H. K. McCullough, Newville, spent Sunday with their cousin, Mrs. Albert Culbertson.

The Missionary Society of the Lower Marsh Creek Presbyterian Church met Saturday afternoon at the home of Mrs. Ira M. Henderson. Mrs. Henderson served as hostess and leader. The discussion subject was "Love." Mrs. Hughes Scott, the president, presided at the business

meeting. Refreshments were served to the 14 members present. The next meeting will be held at the home of Miss Margaret McIlhenny, Gettysburg on Saturday afternoon, March 19.

Mr. and Mrs. Frank Conrad and Mr. and Mrs. Frank Conrad Jr., and son, Steven, Waynesboro, spent Sunday with H. L. Harbaugh and Miss Mary Harbaugh.

Philadelphia Dems Confer On Ticket

PHILADELPHIA (AP)—Democratic leaders in Philadelphia have met informally to begin picking a slate for the primaries in May. The elections will cover all top city offices.

The Philadelphia Inquirer reported Tuesday that leaders tentatively selected Dist. Atty. Richardson Dilworth to run for mayor, but Dilworth, asked for comment, said "absolutely nothing was agreed to."

Mayor Joseph S. Clark Jr. has expressed his intention to step down after one term in office. It has been reported, however, that

Asks Flour Mill Purchase Probe

HARRISBURG (AP)—Two Democratic assemblymen today were supporting a request for an "impartial appraisal" of a \$350,000 state purchase of a flour mill.

Reps. A. V. Capano (D-Washington) and Anthony Petrosky (D-Westmoreland) submitted a resolution yesterday asking the House to petition Gov. George M. Leader for such an appraisal.

Last December, the state Bureau of Corrections bought a 100-year-old flour mill for use of inmates at the Pennsylvania Industrial School at White Hill. The resolution suggests that the "real value" of the mill be determined and that the governor furnish the House with a report.

he would run again if the organization slated a candidate to which Clark was opposed. Clark has supported Dilworth to succeed him.

St. Augustine, Fla., will celebrate its 400th birthday in only 10 years.

ROBERT DEVORE ADDRESSES CLUB IN TANEYTOWN

"We are the first nation in history in which certain miracles of human progress have become the normal and expected everyday thing," Robert Devore, Atlantic district manager of the Du Pont Company's extension division, Wilmington, Del., said Tuesday evening at the semi-monthly meeting of the Taneytown Lions Club, at Taneytown. He joined Du Pont after 17 years in the newspaper and magazine work.

"I wonder if we are beginning to take progress too much for granted," he said. "I wonder if this does not suggest that we are setting into a national state of mind which assumes that material progress just happens and will continue to happen whether or not we do anything to stimulate and encourage it. If so, we may be headed for trouble."

"Yes, we Americans have become used to progress. We want a lot of it. We get a lot of it and we are annoyed when we think we are not getting enough. That's all to the good because our great expectations pay tribute to the efficiency of our own free economy with its dependance on individual initiative and responsibility. But I fear we can get too used to progress. We can get too complacent about it and that bothers me."

Must Continue Progress

"The danger today is that, in taking for granted the progress we ourselves have made, we may lose touch with the sources of our national strength and prosperity. If ever we, as a nation, come to believe that our position in the world today is simply an accident of time, climate and natural resources, the decline of America will be well advanced. The danger is that we forget that progress must be continuously created, and will forget the means by which America does continuously create it."

During the business meeting, it was reported that a successful bake sale was held Saturday morning.

The committee for the sale was: Raymond Baker and Wilbur Thomas, co-chairmen; Mrs. Raymond Baker, Mrs. Murray Baumgardner, Mrs. Harry Reindollar, Mrs. Denton Wantz, Otis H. Thomas, Mrs. Norman Sauble, Mrs. Kenneth Shorb and Mrs. Ralph Stinesifer. A shrimp and oyster feed will

Another Milestone For Taneytown

Mayor Raymond Perry makes the first call over the 1,000th telephone installed in the Taneytown area. On the left is Paul M. Morlock, Chesapeake & Potomac Telephone Company manager who made the installation. Behind Mayor Perry is Robert W. Klunk, paymaster for the Cambridge Rubber Co. in whose home the installation was made. Significant of the continued growth of Taneytown is the fact that the number of telephones has tripled in the past 10 years.

Trabert Sets Sights On Big Wins, Pro

NEW YORK (P)—Tony Trabert, new national indoor tennis king, reiterated his aim today to score a sweep of the big summer events and go for the professional pot of gold.

"My plans?" the 24-year-old husky from Cincinnati parried a question. "I'll play tennis all summer. I hope to win at Wimbledon and at Forest Hills, help defend the Davis Cup and then, if I'm made an offer, turn pro."

Thick-shouldered Tony looked capable of carrying out his ambitious program as he whipped his Davis Cup teammate Hamilton Richardson in the indoor finals yesterday at the 7th Regiment Armory. The scores were 11-13, 7-5, 9-7, 6-3.

CHESTER FACES TOUGH FOE IN DISTRICT TWO

PHILADELPHIA (P)—Chester High School, defending eastern PIAA champion, faces the prospect of encountering two tough neighborhood rivals in its defense of the District 1 championship.

Tournament pairings announced today disclosed that the PIAA District 1 committee has decided to admit both Yeadon High, the 1933 state champions, and Lansdowne-Aldan to the tournament. The two schools are tied for the Sect. 2 championship of the Suburban League. Chester and the other five tournament entries hold clear title to their section competition during the regular season.

Yeadon and Lansdowne split in their two regular season meetings, and each won eight other Sect. 2 games. They probably will play off later—after the district tournament—for the section title.

Start March 4
Playoffs open March 4, with Pottstown, Ches-Mont League champs, meeting Upper Perkiomen of the Perkiomen League at Norristown in one game and Yeadon opposing Bensalem at Lower Merion.

The remaining three dates will be at the University of Pennsylvania's 8,000-seat Palestra in Philadelphia. On March 5, Lansdowne faces Ridley Twp., Sect. 3 champ, and Chester, Sect. 1, goes against the Buxmont League champion.

March 9, in the semifinals, the Bensalem-Yeadon winner plays the Chester-Buxmont winner, and the Upper Perkiomen-Pottstown winner opposes the Lansdowne-Ridley Twp. winner.

Winners in the two semifinal tests meet for the title March 14.

NORTHERN JT. 5 TOPS FAIRFIELD

Blowing a 37-32 lead gained in the first half, the Fairfield High School basketball team dropped a 70-62 verdict to Northern Joint of Dillsburg at Fairfield Tuesday evening. It was their 16th loss against five triumphs.

Gary Dolly, Norm Kuykendall and Sam Scott hit for 22, 17 and 15 points for the losers but their efforts were eclipsed by Hoffman of Northern Joint who accounted for 37.

The Fairfield reserves won the preliminary 53-37.

St. John's of Westminster will play at Fairfield Friday evening.

BLAME ALUMNI IN PLAYER BAN

NEW HAVEN, Conn. (P)—An over-active alumni group appeared at fault today in the Ivy League's ruling making a Yale freshman ineligible for athletics.

Informed sources reported yesterday that Terrence C. McGovern of Chicago, a football player, had been banned by the Ivy's eligibility committee under the presidents' code prohibiting any subsidization of a student's prep education.

Yale reportedly brought the matter to McGovern's eligibility to the league committee itself. It was stressed McGovern was "entirely innocent" in the affair.

McGovern attended nearby Cheshire Academy during the 1933-34 term.

BIGLER JUNIOR HIGH WINS 9TH

Bob Garrett's Bigler Junior High cagers upped their season record to 9-3 by easily defeating Boiling Springs 39-13 at Bigler Tuesday afternoon.

Blanking their opponents in the second quarter, the Cannons piled up a 24-4 lead at half time.

Dick Byers again topped the winners with 16 tallies while Putt swished two goals to be top man for the Bubblers.

Delone will play at Bigler Tuesday afternoon at 3:45.

30 ATHLETES SEEK PLACES IN MAT TOURNAY

SAN ANTONIO, Tex. (P)—Thirty weary athletes remained in the Pan-American wrestling tryouts today as the battle for places on the United States team that will go to Mexico City next month entered its final stages.

Such highly rated matmen as Tommy Evans, former Oklahoma University star who was in the 1932 Olympic games, and Wenzel Hubel of Los Angeles, a standout in international competition for several years, faced the prospect of either pinning their opponents in this afternoon's round or be eliminated because each has four bad marks already and a decision means one more. Five kick you out of the tournament.

Sets New Record
Dr. Melvyn Northup of San Francisco Olympic Club, the oldest of them all—he's 48—also was in the position of having to win by the fall route or take the count.

Dr. Northup has been national

AAU champion four times in the 160.5 pound class.

But Jack Blubaugh, the Tulsa, Okla., YMCA sensation, was in most excellent position to win the 125.5-pound class title. Blubaugh has been setting some kind of record for quick disposal of opponents. He has won four bouts with a little more than three minutes of wrestling. Yesterday, Blubaugh won his only match without pinning his foe. That came on a default as Bill Borders, the Olympic star from Ft. Sill, Okla., gave when he reappeared a knee. Blubaugh got the default in just 25 seconds.

Blubaugh meets James Gardner of Ft. Campbell, Ky., who has three bad marks, this afternoon. Then Blubaugh clashes with Richard Mueller of Minneapolis tonight in the finals. Mueller, like Blubaugh has no bad marks.

FIRST SPRAY LETTERS OUT: GROWERS TO HOLD MEETING

Adams County fruit growers, who will receive suggested spray programs for the coming year at the annual Fruit Growers' all-day meeting Saturday at Biglerville, received the first suggested spray in time to have it completed—if they hurry—before the annual session.

Peach and apple spray letters went out today from the office of County Agent Frank S. Zettler, reminding the growers to begin placing dormant sprays "at any time the temperature is above freezing."

Noting insect and disease conditions, the county agent observed that in peach orchards "scale insects are on the increase in some orchards. Leaf curl was present in some orchards in 1954 and may be a problem in 1955 where a dormant spray was not applied." Concerning apple orchards, Zettler said: "The dormant spray is a good time to control aphids, cankerworms, and tent caterpillars. In many areas there are more

cankerworm eggs on the trees than in any recent years." Use of DN in the dormant also reduces the number of scap spores that may be shot from old leaves under the trees.

Three Formulae

Three formulae are listed for apple sprays. In dilute sprays, per 100 gallons of spray, the formula may be either 1½ quarts of liquid DN paste and one quart of miscible superior oil, or two quarts of DN-289 or Elgetol 318 plus one quart of miscible superior oil, or 1½ quarts of Dinitro powder (40 per cent) plus one quart of miscible superior oil. For concentrate sprays the oil should be retained at one quart, plus three quarts of the other materials.

In peach orchards, per 100 gallons of spray, three gallons of miscible superior oil or four gallons of superior oil emulsion should be used for dilute sprays. For concentrate sprays the amounts should be 4½ and six gallons respectively.

Where growers were unable to put on a fall spray, those using oil can still prevent leaf curl by combining the oil with two pounds of copper sulphate and three pounds of fresh spray lime in dilute sprays or three pounds of copper sulphate and 4½ pounds of fresh spray lime in concentrate mixes.

Where scales are not a problem, Zettler said, oil may be omitted. Leaf curl may be controlled nad brown rot reduced by applying six pounds each of copper sulphate and

FARM CALENDAR

Mulch Benefits Berries—Mulch protects strawberry plants from winter killing that might result from low temperatures with no snow cover, says Carl Bittner, Penn State extension pomologist. Mulching also prevents heaving and breaking of plants caused by alternate freezing and thawing of the soil.

To Plant Fewer Acres—Pennsylvania potato growers, holding about 42 per cent of their 1954 crop in storage on January 1 this year, are planning to plant about five per cent fewer acres this spring, according to Robert Donaldson, Penn State extension agricultural economist.

Pool Your Orders—If you are planning to buy some nursery plants or seeds for your flower garden, get together with some fellow gardeners and combine your orders for stock. That is a money-saving suggestion from A. O. Rasmussen, Penn State extension ornamental horticulturist.

Prevent Egg Slump—Poultrymen can guard against winter slumps in egg production, reminds Robert Lauffer, Penn State extension poultry specialist. He says there is a direct relationship between amount of feed eaten and number of eggs laid.

Protect Chemicals—Freezing may injure farm chemicals, such as weed killers, explains George Berggren, Penn State extension agronomist. He urges storing such materials in a building where the temperature stays above freezing.

More Cattle on Feed—Eight per cent more cattle and calves were on feed January 1 than at the beginning of 1954, reports William Johnstone, Penn State extension agricultural economist.

MENALLEN TWP. REPORT SHOWS BALANCE IS UP

Menallen Twp. bought a grader and a dump truck but still saw a slight increase in its bank balance, according to the year-end report which was filed today with the clerk of courts.

The report discloses that Menallen began 1954 with \$8,683.86 in the bank, and finished it with \$8,761.62 there. The income for the year totaled \$19,591.88, while the expenditures added up to \$19,514.12. No debts or unpaid bills were listed.

Of the \$19,591.88 income, \$7,044.21 came out of general taxes. The seven-mill real estate tax brought in \$4,138.88 in current payments and they received \$453.01 in back payments, while the \$3 per capita tax yielded \$2,030.22 in current collections. There was \$422.10 in delinquent collections. The people of Menallen still owe \$677.49 in the former levy and \$1,210.28 in the latter.

Breakdown On Figures

Other sources of income include \$9,461.04 from the state in both highway and forestry funds, \$2,303.67 from Adams County, \$25 from fines, and \$79.09 from back social security payments.

On the expense side, general government cost \$1,209.29. A total of \$377.56 went for the payment of back bills, including \$273.59 in social security payments; \$725.79 went for insurance and \$658.12 was paid to the Aspers Fire Co. The maintenance of the township's 16.25 miles of earth roads, 24.8 miles of improved highway and 35 wooden bridges cost

DAR HEARS TALK SAYS GREATEST MAN-KILLER OF MODERN TIMES MAY BE STRESS

(Continued from Page 1)
to return home. Private soldiers were detained in their camps. Some were held at Winchester, Va., and some at Fort Frederick, about 20 miles west of Hagerstown, Md. Some of the German soldiers hired to come over from Europe to fight in the American Revolution liked the country so well they stayed here. They married local girls and their descendants are still around. A notable example is the Hessian family, Keuster, which became Custer as years went on. A famous descendant is General Custer who fought at Gettysburg.

Dr. Coleman mentioned other famous men who were at Yorktown such as General Lafayette, Admiral DeGrasse and Baron Von Steuben.

Shows Colored Slides

Dr. Coleman, who was introduced by Mrs. H. H. Reuning, program chairman, was assisted in the showing of colored slides by his daughter, Miss Ann Coleman.

Miss Elsie Elsenhart, chaplain, opened the meeting with a prayer and the women pledged allegiance to the flag and sang "The Star Spangled Banner." Mrs. Chester N. Gitt, regent, welcomed the 35 members and guests and announced that it is a custom of the DAR to commemorate the birthday of Washington in some manner.

Mrs. Reuning introduced Miss Anna Grimm, Gettysburg, soloist, who sang the following songs of the Revolutionary period: "Frog in the Well," "Old Straw Bunnit," "The Quaker Wooing," "The Old Woman Who Went to Market" and "Chester." She was accompanied at the piano by Phillip E. McGuire, Gettysburg.

The women were reminded to take donations for the DAR-sponsored schools to the home of Mrs. Fred G. Troxell, Baltimore St., by Friday. The 223rd birthday anniversary of George Washington was closed by the singing of "God Bless America."

Red, white and blue flowers adorned the tea table which was set with patriotic motifs. Refreshments were served by the hostess committee.

\$16,025.29, including \$4,275 for the purchase of a grader, \$1,150 for a dump truck and \$4,196.30 for the construction of new roads.

The report lists the Menallen Board of Supervisors as George Culp, Biglerville, chairman, Cameron Garretson, Flora Dale, and John R. Taylor, Aspers, with Clyde McCauslin, Flora Dale, as secretary-treasurer. The auditors are Donald Garretson, Aspers, John H. Baugher, Aspers, and Frederic E. Griest, Flora Dale.

MONTREAL (AP)—Dr. Hans Selye will tell you that stress may well be the greatest man-killer of modern times. He's a world authority on what pressures and strains can do to you.

A pipe-puffing scientist who looks like a poet, Selye says stress really can't be defined. "It's like life," he says.

"Any motorist who swears in traffic, any housewife driven frantic by squalling children, any stevedore who broods in silent anguish over debts knows about stress."

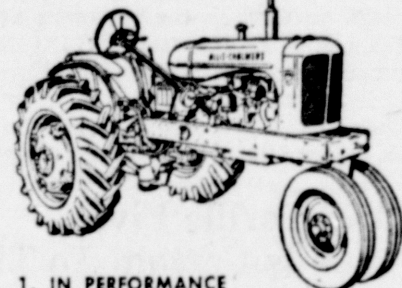

19 Years Of Study

"The businessman driving himself at breakneck speed certainly knows about stress. But when he dies prematurely at 50 years of age his 'weak heart' is blamed. It isn't understood that stress itself is fatal."

For 19 of his 48 years Selye has been studying stress. And he views it as a hidden enemy which strikes under the guise of heart disease, tuberculosis, insanity, blindness and a host of other ills. Selye holds that it causes chemical imbalances by setting off a glandular alarm system squirting substances which, unless counteracted, can fatally damage vital organs.

He has just published his fourth annual report on stress, a yearly follow-up to his major work on the subject, put out in 1950. Doctors have said Selye's theories,

defining stress and measuring its chemical effect on the body, hold out prospective help for sufferers of a high-speed age. The answers are neither complete nor universally accepted, but their form has been recognized and applauded by medical journals.

Long before the hormone wonder drugs such as cortisone and ACTH were announced, Selye contended that a patient suffering from chemical imbalance caused by stress—from anything from cold feet to a gun at the head—could never recover unless the balance was restored, either naturally or artificially. He theorized then that the balance could be restored by injection of hormones or by operations on the pituitary and adrenal glands, main sources of the trouble. There has been progress since in both fields.

Selye showed in experiments with animals that prolonged physical stress produced such ills as heart disease, ulcers and arthritis—things which he said rarely if ever affected them in their natural state.

McSherrystown Bus Driver In Crash

A 24-year-old motorist suffered a lacerated forehead in an accident involving a station wagon, panel truck and bus Tuesday evening at 6 o'clock in Hanover.

Hanover police said the motorist, Garland Chapman, Hanover, operating the station wagon did not require medical treatment. His vehicle was demolished.

According to investigating officers the panel truck operated by Morris Cotler, 46, of Pottsville, and owned by Globe Bowling Pin Company, Rockville, Md., was moving south on High St. and Chapman entered the intersection from Poplar St.

The truck, police said, collided with the left side of the station wagon knocking it against a bus, which had halted before making a left turn onto Poplar St. The bus, owned by the Lincoln Bus Line, was driven by Russell E. Cramer, 43, McSherrystown.

Damage to the truck was estimated at \$10, to the station wagon at \$500 and to the bus at \$100.

assemblymen suggested fixing a fine of from \$100 to \$1,000 on third conviction and a jail sentence up to 90 days for violations.

The proposal also would make it unlawful for any lease or rental agreement to contain a clause or condition or understanding that tenants should remain childless during the term of the lease.

probably at sunset each day.

An article in Business Week urging persons to "consider a visit to Gettysburg" was read. "This is the kind of advertising that could not be bought for a million dollars," President Larson said.

LeRoy Smith and O. G. McPherson agreed to work out a schedule for distribution of travel council folders to various town business places associated with the tourist trade. In the meantime persons who wish folders for distribution were asked to notify President Larson.

G. Henry Roth and John Riddle were named to the committee arranging for the welcoming of the 20,000,000th tourist to Gettysburg, expected if tourist visitation this summer continues as in the past. Other members will be named later.

Henry M. Scharf, manager of the Hotel Gettysburg, served refreshments.

SAYS MATUSOW OUT TO DESTROY EX-REDS WHO HAVE TALKED

By G. MILTON KELLY
WASHINGTON (P)—Sen. Watkins (R-Utah) said today Harvey Matusow apparently is "deliberately trying to destroy" other former Communists who have testified for the government in court trials and congressional Red hunts.

Watkins is a member of the Senate Internal Security Subcommittee, which yesterday ended two days of raking questioning of Matusow, amid threats to prosecute the young New Yorker for his turnabout testimony.

Subcommittee members said they will try to jail him on perjury charges. Chairman Eastland (D-Miss) said the Justice Department had asked for a transcript of the hearings.

Sticks To Story
Matusow stuck to his story that he has falsely accused "hundreds" of persons of ties to communism when he testified both in courts and on Capitol Hill in the earlier 1950s.

Matusow said he had dates in New York with a federal court and a federal grand jury. Excusing him temporarily, the subcommittee called other witnesses for closed-door questioning about the case.

Matusow told the senators yesterday that other former Communists who have testified about Communist espionage also have given false testimony. He named Elizabeth Bentley, Louis Budenz, Manning Johnson and Paul Crouch, all of them confessed ex-Reds and frequent government witnesses.

Budenz commented in New

The Holy Name Society will hold a public party St. Patrick's Day, Thursday, March 17. A knotty-pine desk has been made by one of the men and donated to be given away that night.

Jonas Gruver, near Holtzschwamm Church, was elected secretary of the York County Agricultural Extension Association at the annual meeting Friday.

Mrs. Kathryn Fidler, near Victory Schoolhouse, an employee of Hanover's Sylvania Shoe Company, was among employee guests during a dinner party February 15 at a Hanover restaurant in celebration of the birthdays of four fellow workers, Rita Grot, Helen Chrismer, Betty McMaster and Kate Slusser.

A son was born at Hanover Hos-

pital February 15 to Mr. and Mrs. Robert L. Elicker, Thomasville R. 1, formerly of near here.

A mission study meeting was conducted February 17 at Holtzschwamm Reformed parsonage when motion pictures of missionary work in India, Ceylon and Pakistan were shown by Mrs. H. V. Jordan, regional missionary chairman.

Mr. and Mrs. John Newcomer, Mr. and Mrs. Charles Mummert, and Mrs. Clark Berkheimer have charge of the orders.

Matusow, asked by Sen. McClellan (D-Ark) whether he would "pay your debt to society" by pleading guilty to perjury charges, retorted in a voice that was nearly a shout:

"I will gladly join them (the four) wherever they go—in any federal prison."

"But alone—no! If the government just tries to make a scapegoat of me, I'm going to fight it."

"I think," Sen. Watkins said in an interview, "Matusow is trying to discredit these other ex-Communists without any real knowledge about them."

Chicago Democrats Beat Mayor Kennelly

CHICAGO (P)—Mayor Martin H. Kennelly, fighting the regular Democratic organization which once put him in office, was defeated yesterday in the party primary. He is serving his second four-year term.

County Clerk Richard J. Daley, 52, the organization candidate, won by more than 100,000 votes.

Opposing Daley in the April 5 election will be Alderman Robert E. Merriam, 36-year-old Democrat-turned-Republican, who had little opposition from two candidates in the GOP primary.

Late unofficial complete returns from the city's 4,157 precincts gave Daley 364,839 votes to 264,775 for Kennelly. Benjamin Adamowski, former corporation counsel, polled 112,072, while Clarence Balek, a political unknown, got 4,329.

Merriam, in 4,157 precincts, had 106,626 votes to 18,253 for Lar Daly and 7,594 for Fred Lyon.

LEADER BILL IS APPROVED

HARRISBURG (P)—The Senate, after more than two weeks of controversy, Tuesday passed Gov. George M. Leader's government reorganization bill in substantially the same form he submitted it. The vote was 34-14.

Republican opposition to the form of the reorganization measure faded in last night and they provided the necessary votes to pass the measure.

They took the position that Democrats would charge them with "obstruction tactics" if they continued opposition to the measure, which gives the governor broad powers to reshuffle state agencies.

Sen. Robert D. Fleming (R-Allegheny) said he felt Democrats would make "political capital" if the reorganization plan fell because of lack of Republican votes.

"We're for economy as much as the Democrats are," he told a newsman. "Now that we're voting for the bill, let the governor come forward with his reorganization ideas—if he has any."

Senate Democrats capitalized on three Republican absences in the upper branch yesterday to restore the government reform bill virtually to its original form.

As it now stands, Leader would submit a specific governmental reorganization plan to the Legislature. If neither the House nor the Senate vetoed it in 30 days then it would automatically become law.

Republicans had previously changed the bill which would have required an affirmative vote by both the House and Senate within 30 days for a proposal to become law. No action in the 30-day period would have meant the proposal's death.

Republican senators who said, in advance of the final ballot, that they would turn in for the administration measure were:

Sens. Robert D. Fleming (Allegheny), Frank Kopriver (Alle-

New Oxford

NEW OXFORD — Mary Jane Yingling, a student in the local high school's home economics department, taught by Mrs. Marvin Breighner, was chosen to display her street dress of printed pongee which was made in class, in the spring fashion show annually placed in the window of a Hanover department store.

Bernard Joseph Moore, 12, son of Bernard and M. Elizabeth Weaver Moore, returned Monday to the Hanover Hospital for removal of the cast he has worn on his fractured thigh since early October when he was injured in an auto-bicycle crash which caused him to be hospitalized seven weeks.

Mr. and Mrs. C. Robert Brothers, who went to housekeeping in Hanover shortly after their marriage, marked their first wedding anniversary February 20. Both are former residents of New Oxford. He is a son of Mrs. Charles Brothers. She is the former Betty Ann Gable, daughter of Mr. and Mrs. Raymond Gable.

Heating equipment was brought here during the past week to be installed in the former Snyder property on Carlisle St., purchased several months ago by Immaculate Conception Catholic parish to be used as a convent for the teaching Sisters of Mercy.

Chosen as ushers for the Sunday Masses at the local Catholic Church for the next several weeks are: Frank Carbaugh and Leo Poist for 7 a.m.; Cyril J. Rickrode and Nathaniel C. Miller at 8:30, and Raphael H. Smith and Francis Noel for the 10 o'clock high Mass.

gheny), George N. Wade (Cumberland), Albert R. Pechan (Armstrong), M. Harvey Taylor (Dauphin), Edward B. Watson (Bucks), and G. Robert Watkins (Delaware).

In another development, the House Monday night passed, 161-23, an administration-backed plan to ban discrimination in employment or union membership because of race, creed, color or national origin.

BYRD LABELS HIGHWAY BILL AS "PURE PORK"

By JACK BELL

WASHINGTON (P)—Sen. Byrd (D-Va.) said today he is convinced President Eisenhower's 10-billion-dollar highway building program is "just pure pork barrel."

Byrd said he would oppose it as inflationary. And Sen. Gore (D-Tenn.), in a separate interview, labeled as "irresponsible financing" the President's plan to earmark for 30 years a portion of federal gasoline and diesel oil taxes for construction of super highways.

But Sen. Case (R-SD), sponsor of a bill to carry out the federal-state program, said Eisenhower has an "open mind" on the controversial issue of how to finance the road modernization plan.

Sees Compromises
Despite rising opposition, Case said he thinks compromises may be in order. He said he understood Eisenhower would be agreeable to some changes as long as the over-all objective of the program is attained.

"There will probably be some amendments, but I think we'll get a bill out of the committee," he said.

Case's bill was assigned to a Senate Public Works Subcommittee headed by Gore. That group called representatives of the American Farm Bureau Federation, the National Grange and the AFL for testimony today.

Gore has proposed an alterna-

tive program under which federal aid for highways would be boosted from the present level of \$875,000,000 to \$1,600,000,000 yearly. The present system of matching federal and state funds would be retained.

Called Inflationary
Under the Eisenhower program, the federal government share would come to more than 31 billion dollars, with 25 billions of this devoted to a 40,000-mile network of interstate highways. The other six billions plus in federal funds would go for work on roads connecting major cities, on farm-to-market roads, urban streets and highways on federal lands.

Byrd said the program "is inflationary at a time when the economy is booming. The administration is proposing deficit spending and I don't know why."

He claimed that "pork barrel" aspects of the proposal lie in the fact that populous states would get windfall payments from the federal government for toll roads which they had already built and could spend this money for things other than the superhighway system. He said 27 states would get such payments.

RODENT IN COURT

Michigan Engineers Try To Reduce Noise

ANN ARBOR, Mich. (P)—Richard N. Hamme, research physicist, heads a staff of acoustical and electronics engineers whose aim is to trap sound and to some extent destroy it. They are working to lessen sound on naval ships to avoid detection by enemies and in aircraft to help eliminate pilot fatigue.

One of the weapons in the battle against sound is a large room built on its own foundation, complete independent of the building that surrounds it. It has 12-inch concrete walls, especially hardened on the inside to keep sound in.

There is a giant paddle, 8 by 16 feet. Hamme explains that sound bounces around in different wave lengths. The paddle mixes it up to make it as equal as possible all over the room.

The staff will determine how long it takes sound to die in the room when it is empty; then with varying objects in the room. It then can figure what objects or materials absorb it most readily.

KANSAS CITY STAR TO TAKE APPEAL FROM JURY VERDICT

KANSAS CITY (AP)—The Kansas City Star today planned to appeal its conviction on antitrust charges to a higher court if its motion for a new trial is overruled in Federal District Court.

A District Court jury found the newspaper and its advertising director Emil Sees guilty yesterday of attempting to monopolize the dissemination of news and advertising in the Kansas City area. The Star also was convicted on another count—actually monopolizing the dissemination of news and advertising—but Sees was acquitted on this charge.

Judge Richard M. Duncan withheld sentencing until he rules on the new trial motion, which defense attorneys said they would file shortly.

Confident Of Appeal
Roy A. Roberts, president of the Star, said in a statement immediately after the jury's verdict was announced:

"We sincerely felt the incidents or advertising controversies, if they could be termed such, . . . were so flimsy and isolated the case should not even have gone to a jury. We will appeal the case to the higher court in complete confidence of the outcome."

Judge Duncan still has under consideration a motion for a directed acquittal of Sees offered by the defense during the lengthy trial.

Chance Of Acquittal
The judge said he has the power to sustain this motion, despite the jury's verdict. If he does so, Sees will stand acquitted.

The newspaper faces a maximum penalty of \$5,000 fine on each of the two counts. The maximum for Sees is a \$5,000 fine and a one-year jail sentence. The charges were misdemeanors under the Sherman Antitrust Act.

Earl A. Jinkinson, chief government counsel, said the government was eager to get action completed on a civil suit still pending and

Coal Miner, 42, Is Killed In Cavein

SHAMOKIN, Pa. (AP)—The body of a 42-year-old Shamokin coal miner was recovered almost 20 hours after a mine cavein buried him 100 feet below the surface in an independent mine about two miles from Mount Carmel.

The body of Florian Laskoski was recovered yesterday. Two other men were injured in the cavein and another suffered slight injuries while trying to rescue the trapped men.

Rescued from the mine were John Dames, 26, and George Haines, 3, both of Shamokin. Daniel Panizio, 40, also Shamokin, was the rescue crewman injured.

A witness said Laskoski was completely buried in the cavein and the two other trapped men were pinned beneath falling earth and rock for almost 20 minutes.

would seek a summary judgment on basis of evidence submitted during the trial.

Seek Injunction
The civil action seeks to enjoin the Star from continuing combination advertising and combination circulation rates, calls for the divorce of the Star's radio and television station from the newspaper and separation of the Star and its morning edition, the Times.

Under combination rates the subscriber or advertiser must buy subscriptions or advertise in both morning and afternoon papers at a single price.

Charges on which the Star was convicted included: refusing or threatening to refuse advertising space to advertisers who proposed or did use other media, or who purchased larger ads in other publications; discriminating on space and location of ads if the advertisers used other publications; attempting to coerce advertisers into buying unreasonable amounts of space in the Star; requiring certain advertisers to buy space both in the Star and its morning edition, the Times, without giving them an option; requiring subscribers to the Star, Times and Sunday Star to subscribe to all three as a unit at a single rate and refusing to sell subscriptions separately.

Experts estimate that about 20 million Americans have colds on any one winter day.

Plan Expedition To South Pole In 1957

PHILADELPHIA (AP)—Adm. Richard E. Byrd says the next full scale expedition to the South Pole will get under way in 1957.

Byrd spoke to a meeting of the Philadelphia Chapter of the Sons of the American Revolution yesterday, at which he was presented the group's 1955 Good Citizenship Award.

Another recipient was Frank M. Folsom, president of the Radio Corp. of America.

"The vast reservoir of natural resources waiting to be tapped in the South Pole region will greatly benefit future generations," Byrd said.

Nutritionists recommend that some animal protein be included in each meal. The following foods give about the same amount of animal protein: 1/2 cup cottage cheese; 3 ounces cheddar cheese; 2 1/2 cups milk; 3 ounces of cooked lean meat, poultry or fish; 3 medium-sized eggs.

PSU HAILED BY EISENHOWER AS "GREAT" SCHOOL

UNIVERSITY PARK, Pa. (AP)—President Eisenhower hailed the Pennsylvania State University as "one of the great universities of our country" as it started its second century of service to the state and nation.

The President's appraisal of Penn State was sent to his brother, Dr. Milton S. Eisenhower, president of the university, at the opening yesterday of a year-long centennial observance of its founding.

In a telegram the president said: "The growth and influence of the Pennsylvania State University have impressively mounted throughout the years until it is definitely recognized as one of the great universities of our country."

"Naturally I am proud of this fact both as a citizen who is interested in the continuous progress of our institutions of learning and as the brother of Penn State's president."

Speaks In June
Under present plans, President Eisenhower will address Penn State graduates at the June commencement exercises as another feature of the centennial celebration.

Lewis L. Strauss, chairman of the Atomic Energy Commission, said in an address yesterday dedicating an atomic energy reactor on the university campus that development of the atom for peaceful purposes is limited by the need for skilled personnel. He added:

"Much is expected of universities in the development of the uses of atomic energy and indeed they play a vital role in the government's research and development program."

The chairman lauded the university for "accepting the responsibility for providing more skilled people for the program."

Expand Nuclear Explorations
Strauss described the school's reactor, expected to be put into operation later this year, as one used in "training new scientists, technicians and engineers to carry on and expand nuclear energy exploration."

Also included in the day of activities on the school's birthday were the opening of the new University Park post office; the dedication of an all-faith chapel named in memory of Mrs. Helen Eakin Eisenhower, late wife of Dr. Milton S. Eisenhower, a birthday banquet last night featuring an hour-long telephone connection from the university to similar events in 40 cities.

Other speakers during yesterday's party included Gov. George M. Leader.

U.S. Plans To Use New Steel Alloy

COATESVILLE, Pa. (AP)—Lukens Steel Co. says the government will use 13 tons of new steel alloy three times stronger than carbon steel in a new high speed wind tunnel being built at Langley Air Force Base, Va.

Lukens reported yesterday it has poured the first 125-ton heat of the new alloy, known as Lukens T1. The Langley order will be rolled and formed into head segments for use in fabrication of air storage tanks for the wind tunnel.

Lukens is the first steel company to be licensed by the U. S. Steel Corp. to make the new alloy.

TRAPPED 17 HOURS
WAYNESBURG, Pa. (AP)—Frank Shields, 50, of Painesville, Ohio, who was trapped in his car for 17 hours after it crashed in a snowstorm, died yesterday of pneumonia and internal injuries.

Shields' auto hit a tree Feb. 10 and overturned. Snow quickly covered it, and it appeared to be a large boulder to passing motorists. A farmer found Shields and took him to a hospital.

WILKES-BARRE, Pa. (AP)—A

health official has reported several outbreaks of infectious hepatitis, a liver ailment, in the Wilkes-Barre-Hazleton area.

Dr. Hayden Phillips, district director of the state Department of Health, said yesterday most of the cases were centered in Hazleton and the back mountain area near Wilkes-Barre, particularly in Kun-kie. One person in Wilkes-Barre

Will Discuss Water Supply In Valley

HARRISBURG (AP)—Water supply problems along the Delaware River Valley will be discussed at a meeting here next Wednesday between Pennsylvania and New Jersey legislative leaders.

Sen. Rowland B. Mahany, Republican floor leader, completed arrangements last night for the session with Sen. Wayne Dumont, New Jersey's Senate Republican floor leader.

Mahany said the session will be a "preliminary meeting" to discuss problems and possible legislation.

Assembly leaders and legislators from counties along the Delaware and its tributaries will attend the meeting.

POLICE PROTECTION?

FORT WORTH, Tex. (AP) — Police are humiliated. While a hitchhiking youngster took advantage of an offer to get a nap on a bench in the police station, somebody stole his suitcase.

ALPENA, Mich. (AP)—Geologists believe that gigantic caverns approaching the size of Kentucky's Mammoth Cave may be found in this area. Numerous sink holes as large as 150 feet in diameter and 100 feet deep point to the existence of caves, they say.

Scientists, descending into the pits by rope, have found an exotic world of centuries-old logs, thick growths of vegetation and ferns usually found only in much cooler regions.

Walter P. Nickell of the Cranbrook Institute of Science is puzzled by the fact that rain water disappears at the bottoms of the pits. Scientists plan to dunk colored water into the holes and spot where it comes out by flying above the area. This may lead to the caverns which have so far eluded them.

New York's first subway was opened Oct. 27, 1904.

Ash Wednesday Is Being Marked Today

NEW YORK (AP)—Ash Wednesday church services today ushered in the penitential season of Lent.

Roman Catholic churches and some Protestant churches made the traditional distribution of ashes.

For most Christians around the world, Lent ends at noon Holy Saturday, April 9, the day before Easter.

New York's first subway was opened Oct. 27, 1904.
